

California Ag Day at the Capitol

Tuesday, April 21, 2026

10:00 am - 2:00 pm

Join California Foundation for Agriculture in the Classroom as we spotlight ag education during National Ag Week!

California Ag Day at the Capitol is an annual celebration recognizing California's agricultural community by showcasing the bounty of crops and commodities produced in our state. It is also a day for farmers and ranchers to show their appreciation by bringing together state legislators, government leaders and the public for agricultural education. More than 1,000 people come to celebrate ag's contributions to every day life. This event is coordinated in partnership with California Department of Food & Agriculture and the California Women for Agriculture.
