

2019 Conference Field Trips

Each Field Trip will visit two Sonoma County locations and sign-ups will be on-site.

- **Shone Farm** - A 365-acre outdoor learning laboratory for the Santa Rosa Junior College's Agriculture/Natural Resources Department
- **Wise Acre Farms** - An egg farm on 15 acres with 1,400 free range chickens with a goal to provide farm fresh eggs for the people of Sonoma County
- **Front Porch Farms** - a 110 acres featuring fruit and olive orchards, flowers, vegetable crops and vineyards
- **Dutton Ranch** - A family farm specializing in 1,300 acres throughout Sonoma County of grapes and organic apples
- **Beretta Dairy** - An active five generation organic dairy that was an early adopter of environmentally friendly practices and was recently named the North Bay's 2018 Dairy of the Year
- **Gourmet Mushrooms** - A pioneer producer of fresh mushrooms, they grow more varieties of organic culinary and nutraceutical mushrooms than any farm in America
