

# 2021 – 2022 Literacy for Life Grant

Explore new projects or expand an existing one to promote agricultural literacy by applying for a Literacy for Life Grant! Host a virtual field trip, perform taste tests, or improve agricultural learning opportunities for your students. Grant opportunities are limitless; be creative and innovative as we all adapt to this distance learning environment! Literacy for Life Grants of up to \$500 are provided to California K-12 educators to support the integration of agriculture into your regular curriculum.
