Orange Coast College: Explore the Planetarium, the Dennis Kelly Aquarium (one of the nation's largest student-run public aquariums), and the Horticultural Garden.

Tanaka Farms: Educating, entertaining, and feeding families year-round, the team at Tanaka Farms will showcase their farming and animal welfare practices.

Stater Bros. Markets: How does food get from farm to fridge? There's an all-important grocery store stop in the middle. See how this grocery store's organic waste and recycling efforts work.

Centennial Farm: From barnyards of livestock to bountiful garden beds, Centennial Farm was created to educate youth about agriculture and its importance to daily life. After the tour enjoy a dinner incorporating fresh produce from the three-acre farm.
