STORY WRITING CONTEST

Sponsored by the California Foundation for Agriculture in the Classroom, the ***Imagine this...* Story Writing Contest** challenges students to write creatively about agriculture and the world around them by writing narratives.

Third through eighth grade students in California are eligible to write a creative story about their favorite agricultural topic for the chance to be selected as one of six state-winning authors!

Winning stories are illustrated by high school art students and published in the ***Imagine this...* Stories Inspired by Agriculture** book each year!
