

Choose a state you would like to visit. Go to www.agclassroom.org. Click on Student Center and then State Ag Facts. Click on the state you chose and complete each box.

Capital

Major City

STATE:

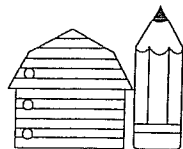

3 state symbols

3 agricultural commodities

3 interesting facts

Something I did not know:

I would like to visit and learn about:

Important Agricultural Commodities

Look carefully at the State Ag Facts. Color the box if the crop or industry shown in each column is a major crop or industry of the state.

State																			
Commodity	sugar-cane	rice	cotton	soy-beans	corn	feed grains	tobacco	forestry	cattle	dairy	poultry	swine	wheat
