PARTICIPANT REFLECTIONS

"Wonderful class! It is important for Idaho's students to realize what a magnificent state in which they live. It helped me fall in love with Idaho all over again!"

"Idaho is not only beautiful, but it's also important to the nation and to the world. This class helps teachers relay that information."

"This is the best class I took all summer. It's more than a class; it's an experience! Loved it, loved it, loved it, sign me up again!"

2024 WORKSHOPS

"On The Road" with  Agriculture in the Classroom

ABOUT THE "ON THE ROAD" WORKSHOPS

You will spend two days "on the road" and in the field learning about the lifestyle of individuals and families in rural Idaho and agribusiness, as well as the role that state and federal agency government plays in the industry. "On the Road" Workshops address current agricultural issues and include **fun, food, hands-on activities, and a wealth of materials** you can use in your classroom resource library for **teachers of Pre-K - 12th**.

Teachers can take more than one AITC workshop every summer and receive one graduate credit per workshop. In this case, teachers must register and pay each time for workshop and credit, and must submit a different assignment for each workshop in order to receive credit. One graduate credit is available from **University of Idaho (\$60)** or **Northwest Nazarene University (\$60)**.

Register online at www.idahoaitc.org or complete/return the attached form. Total payment must accompany registration to guarantee a position. Prior to the workshops, participants will be notified regarding details.

1) TREASURE VALLEY "ON THE ROAD" WORKSHOP \$100
Monday-Tuesday · July 8-9, 2024

2) MAGIC VALLEY "ON THE ROAD" WORKSHOP \$100
