

There is no right to deny new generations of Venezuelans access to this field of science and technology.

Originally our art is born

Unleash the power of the imagination

• Frustration
• Love
• Envy
• Joy

He never stopped believing in the importance of the adequate scientific and technological training of the new generations to face the challenges of the era in which we live.

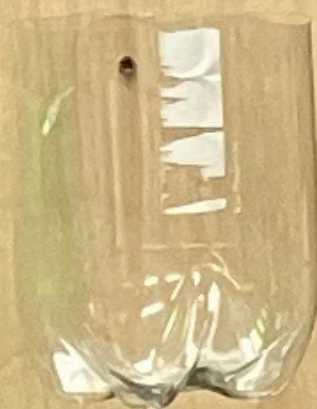

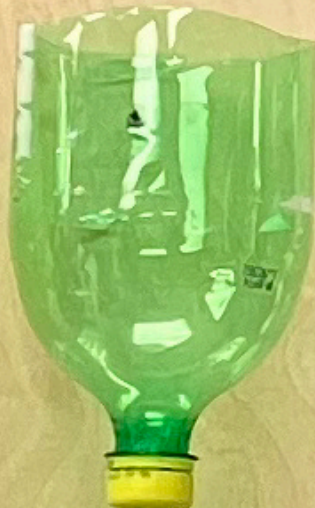

• Microscope Development
• Contributions To the Neuroscience.
• Research in Biomedicine
• Creation of the Institute
• Venezuela Research
• Scientists

Some of the...
were...
school...
learn enough
