

# Cotton

## Byproducts

Kansas Foundation  
for **AGRICULTURE**  
IN THE CLASSROOM

Cotton has been used  
by humans for over  
7,000 years!

### Denim

Woven together to create  
quality denim.

### Money

Printed currency used to  
pay for items.

### Medical Supplies

Cotton is used to make  
bandages, face masks etc.

### Rope

Cotton is twisted into  
strong, flexible ropes for  
various uses.

### Baseballs

The core of many  
baseballs is wrapped with  
cotton thread.

### Cooking Oil

Corn oil is used to make  
and fry foods in.
