

Dairy

Byproducts

Kansas Foundation
for **AGRICULTURE**
IN THE CLASSROOM

Cows can produce
over 6 gallons of milk
each day,

Butter

Made from the cream of
milk, perfect for
spreading on toast or
baking cookies.

Cheese

A snack in various forms, from
string cheese to cheddar.

Milk

Foundation for many
dairy products.

Ice Cream

Everyone's favorite frozen
dessert, made from milk
and cream.

Sour Cream

Used as a topping for
tacos, baked potatoes, or
in dips.

Whey Protein

A by-product of cheese-
making, often used in
protein shakes or bars.
