

# That's Monumental!

Memorializing George Washington

## Your Mission:

To create a new Washington Monument by designing a space that shows what George Washington did and what he was like.

In your design, you may use the following:

- Drawings and 3-D paper elements
- Representations of brick, stone, trees, gardens, pictures, quotes, wooden structures, buildings, walls, etc.
- Colors and shapes as symbols

The best designs will:

- Include Washington's specific accomplishments
- Represent Washington's special interests and "likes"
- Reflect the values and characteristics that made Washington a successful American leader
- Demonstrate a sound understanding of the life and times of George Washington
- Be neat and thoughtful
