

Career Vest Instructions

1. Open a brown paper grocery bag and cut the V's at each side of the bottom.

2. Flatten the bag. Starting from the bottom, cut the top layer straight up the middle.

3. Fold the bag in half, and cut out a half circle for the neck.

4. Trim the bottom of the vest to your desired length.
5. Unfold the bag, and flip it inside out.
6. Your vest is ready to be decorated.
