

Farmers 2050

As you play the Farmers 2050 game, pay particular attention to your farm's finances and answer the questions below.

Deficits to Bank Account	Additions to Bank Account
	

1. In the business of farming, do you have to spend money in order to earn money?
Describe 3 examples.
2. What kind of investments helped increase your ability to earn money?
3. Did you make any investments that didn't help you earn more money? Explain.
4. Write a one-paragraph reflection on what you have learned about the relationship between economics and farming.
