

## Design a Mythical Bee

Design and draw a bee from a magical land and fill in the description box that relates its special structures to its function. Make sure the bee has all the bee characteristics and place check marks in the boxes when you have included them in your drawing.

### Bee Characteristics

- ☐ 6 legs
- ☐ 3 body sections (head, thorax abdomen)
- ☐ 4 wings
- ☐ 2 compound eyes
- ☐ 3 ocelli (small eyes)
- ☐ Pollen hairs or special body part for collecting pollen

I found this bee in the magical land called:

\_\_\_\_\_

My bee's name is: \_\_\_\_\_

My bee has special structures, and they help it survive and pollinate by...
