

Salt Experts - Activity Sheet

Group Member Names:

Instructions: As a group, read the passage about the type of salt you were assigned. Then, work together to answer the questions using information from the reading. Once you have completed the questions, prepare a 3–5 minute presentation to teach the class about your type of salt. Use your answers to help organize your presentation. Remember, your group is becoming the class experts on this type of salt, so be ready to share what you learned!

Questions:

1. What is the name of your salt?
2. What color, texture, or appearance does this salt have?
3. Where in the world is it harvested?
4. How is it harvested?
5. What makes this salt unique or special?
