

A Day in the Life of Hank the Cowdog

NAME: _____ DATE: _____

THE BOTTOM LINE

When you mapped out Hank's day on the ranch, you might have realized why, *"a ranch without a Head of Ranch Security would be like... I don't know what, but it wouldn't be much."*

The Head of Ranch Security's job is never done! The responsibility is gigantic and not just any dog could stand the pressure.

Answer the questions below:

1. How many feet do you think Hank traveled by paw (foot)?
2. How many feet do you think Hank traveled in the pickup truck?
3. Which location that Hank visited was the farthest from the Ranch House?
4. What was the shortest distance that Hank traveled during the day?
5. How far is it from where Hank sleeps to where Hank eats?
6. What do you think was Hank's favorite part of the day?
