

RESOURCES

MIDWEST DAIRY

- Learn how local farmers are committed to **Sustainability**
- Visit **Farm Life** to learn about dairy farmers and take a virtual tour of a working dairy farm
- Download **Farm to School Resources** including dairy trivia, coloring pages, nutrition information, and farm to school tool kits

DISCOVERY EDUCATION

- Ideal for 5th – 8th grade STEM classes to explore innovations farmers use to care for cows and communities
- Learn about modern farming and dairy's journey from farm to school
- Take a virtual field trip or a 360 degree video experience that includes activities and educator guides
- Visit the **Caring for Cow and Nourishing Communities** page at [DiscoverUndeniablyDairy.com](https://www.discoverundeniablydairy.com)

DISCOVER DAIRY CURRICULUM

- Discover Dairy brings the farm to your classroom through lesson plans and activities for elementary through middle school.
- Incorporates Common CORE and STEM standards
- Features an Adopt-a-Cow Program for students to virtually meet a dairy farmer and follow the care of a calf throughout the school year.
- Visit at [discoverdairy.com](https://www.discoverdairy.com)

UNDENIABLY DAIRY

Visit [USDAIRY.com](https://www.usdairy.com) to learn more about dairy in the community, nutrition and health, education resources, and sustainability.

Check out the **Fuel Up to Play Homeroom** a digital resource for teachers/parents built with google slides featuring learning activities that is updated weekly

Download the Fuel Up to Play 60 **Farm to School Play-In-A-Box** kit

Pick the Farm to School – Know Your Food Play at [FuelUptoPlay60.com](https://www.fueluptoplay60.com)

Funding available for:

- Permanent signs or murals promoting farm to school
- A dairy farmer visit or transportation to a farm
- Technology to take a virtual farm tour
