

Guiding Questions - Food in Countries Around the World

Name:

Hour:

Date:

Use these questions to guide your research. Record thoughts and notes below.

1. What is the climate? Can you use this to predict the type of food?

2. What are some of the main foods eaten in this country?

3. What are some of the foods produced in this country?

4. What is the climate of this country?

5. How might the climate of the country determine the foods that are produced there?

6. Would we be able to produce the same foods somewhere in the U.S.? Why or why not?

7. What can the 5 Themes of Geography and Agriculture reveal about a place and its people?
