

Utah Agriculture in the Classroom Pre-service Evaluation

Which Utah Agriculture in the Classroom presentation/workshop did you attend?

What is your anticipated date of graduation?

Will you be seeking a teaching position after you graduate?

- Yes
 Maybe
 No

As a result of today's presentation:

I have an increased understanding about how farmers/ranchers use land to grow crops and support livestock.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I am more confident explaining how the interaction of natural resources (sun, soil, water), and weather impact agricultural production.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I am more confident explaining how farmers/ranchers work with plant and animal life cycles.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I am able to better discern the differences between human food and livestock feed.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I have an increased understanding about the resources used to produce our food, clothing and shelter.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I have a deeper appreciation for agriculture as it provides for most of our basic needs.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I feel more confident diagramming and explaining the path of food and fiber production from farm to table.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I have a better understanding of the costs associated with producing and purchasing food.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I improved my understanding about the nutritional value of various foods.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I can better describe technologies that farmers use to increase yields and improve product quality.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I can provide more examples about how scientific concepts (related to plants, animals, soils, weather, etc.) are applied on farms and ranches.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I can better explain the value of agriculture and how it is important in daily life.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

I can identify more careers that support agriculture.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

Presentation

Please rate the following:

	Very Poor	Poor	Fair	Good	Very Good
Organization of the presentation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Pace of the presentation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Engagement of the participants	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Relevance of the topic (agriculture) to elementary education	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

How well did the information and resources presented in this workshop meet your expectations?

Did not meet expectations Met expectations Exceeded expectations Far exceeded expectations

Results

How likely is it that you will use Utah Agriculture in the Classroom resources in your future teaching?

Very Unlikely Unlikely Undecided Likely Very Likely

How likely is it that you will explore the Utah Agriculture in the Classroom website for more resources?

Very Unlikely Unlikely Undecided Likely Very Likely

I have a better understanding about how to integrate agricultural concepts or themes into instruction and still meet educational standards.

Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

Please note any additional comments you would like to make regarding today's presenter or presentation (strengths, suggestions for improvement, etc.).

We are trying to determine the effectiveness of our pre-service presentations and program resources for first year teachers. Would you please allow us to contact you at the end of your first year of teaching to help us determine our program impacts?

- Yes
 No

Thank you for your willingness to help us determine the impact of our efforts. Please provide an email where you can be contacted one year after you graduate. Your email address will be kept confidential. You will not receive any unsolicited messages from Utah Agriculture in the Classroom.
