

JOIN US FOR A NEW SCHOOL TO FARM DAY!

Presented by Sullivan County Farm Bureau, NH Agriculture in the Classroom and the Sullivan County Natural Resources Department and Conservation District

Bring science, social studies, math and other curricula to life with hands-on activities and entertaining educational demonstrations!

BASIC INFORMATION

DATE: Monday 5/11/20 (rain date 5/12)
TIME: approximately 9:30 - 2:00
WHERE: Sullivan County Complex in Unity
COST: no charge for students or adults
LUNCH: everyone needs to bring their own lunch
TARGET: 4th grade students

HOW IT WORKS

Farmers and other agriculture professionals are on hand to offer demonstrations and mini lessons in their area of expertise. With each one hosting a different station, classes rotate through the stations, spending about 15 minutes at each one creating a diverse agricultural experience.

WHY

School to Farm events enable children to learn about the agricultural heritage of our state while building an appreciation for the critical role that our food and fiber systems play in their everyday lives. Agricultural topics can be used to give real life meaning to many core curriculum requirements. Teachers who have participated in the past say this is "one of the best field trips" and "ties in directly with what cover at school".

WHAT YOU'LL SEE

Students may learn about dairy, chickens, soil ecology, fiber, maple syrup, beekeeping, horticulture and a variety of other topics. You never know who or what you will see!

WHAT'S NEXT

Please visit <https://form.jotform.com/nhaitc/Sullivan2020> to register. Upon completion, you will receive a confirmation email. A few weeks before the event, we will pass along the details such as exact times of arrival and departure. If you have any questions or would like a registration link emailed to you, please contact us at nhaitc@nhfarmbureau.org. Hope to see you in May!
