Assembly Instructions:

1. On each tab, write facts you find about each of the headings.
2. Cut out all four of the strips (More About Turkeys, Eggs, Veterinarian, and Technology).
3. Put glue on the back of the Technology tab only and glue it into your folder.
4. Fold the other tabs on the dotted lines.
5. Put glue on the back of the skinny folded part and stack them on top of each other in decreasing size order.

Directions: Use the book, *My Family's Turkey Farm*, the video, and the Ag Mag to find fun facts and information on farming careers. Cut out both shapes and glue into your folder.
