

My Family's Turkey Farm

Teacher Pages for Lapbook

Teacher Pages

The following pages have information on where to find facts or suggested answers for students to fill in.

Poult

- **Definition:**
a baby turkey (glossary or video)
- **Born in:**
Hatcheries (video)
- **Characteristics:**
Fluffy
Very sensitive to weather
Need to be kept warm with heaters
(book and video)

Adult Turkey

- **Fully grown:**
4-5 months (video)
- **Gobble because...**
They are excited or see bright colors (video)
- **Diet:**
Mostly corn and soybeans but also vitamins, nutrients, and protein
They also get water
(book and video)

Tom & Hen Turkeys

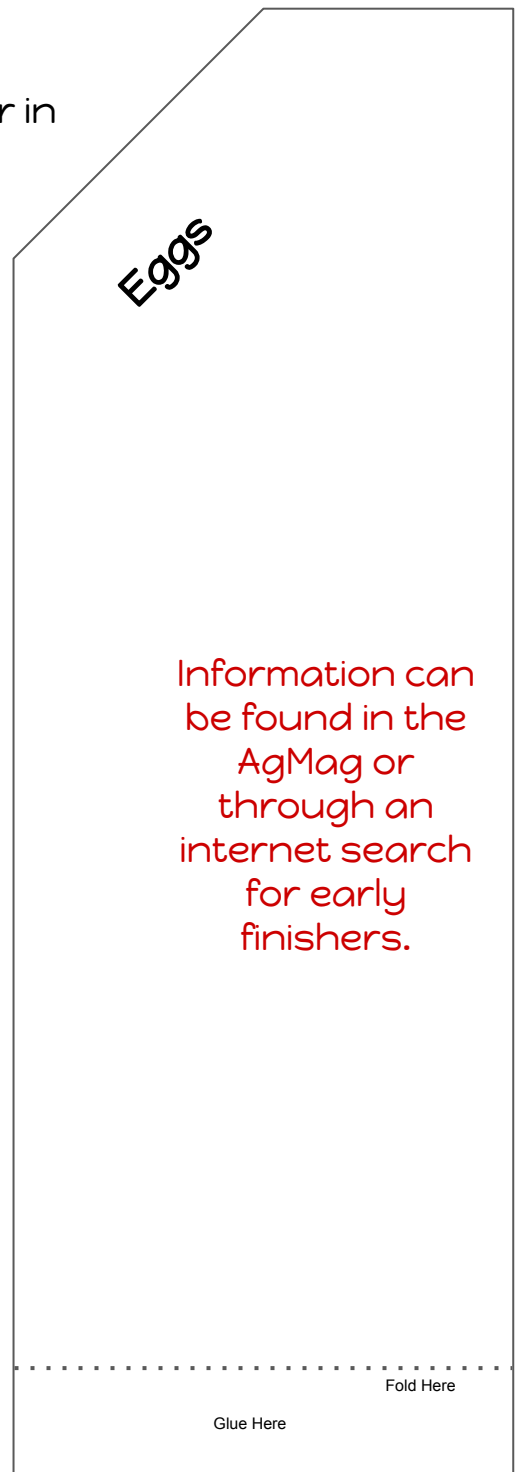

- **Definitions:**
Tom turkey - male
Hen turkey - female
(book and video)
- **Differences:**
Toms can weigh more than 45 lbs but hens are smaller.
(book)
Toms have a blue head and hens don't. (video)

Wild & Domesticated Turkeys

- **Differences:**
Wild turkeys have brown feathers while domesticated turkeys are bred to have white feathers.
Wild turkeys can fly but domesticated turkeys can just jump about 2' off the ground.

Assembly Instructions:

1. On each tab, write facts you find about each of the headings.
2. Cut out all four of the strips (More About Turkeys, Eggs, Veterinarian, and Technology).
3. Put glue on the back of the Technology tab only and glue it into your folder.
4. Fold the other tabs on the dotted lines.
5. Put glue on the back of the skinny folded part and stack them on top of each other in decreasing size order.

Veterinarian

Information can be found in the book, the video, and the AgMag.

Glue Here

Fold Here

Technology

Information can be found in the book, the video, and the AgMag.

Glue Here

Fold Here

Directions: Use the book, *My Family's Turkey Farm*, the video, and the Ag Mag to find fun facts and information on farming careers. Cut out both shapes and glue into your folder.

Fun Facts

All of the sources will have fun facts.

Career Corner

All of the sources will have information on turkey farming but the AgMag has a section called Career Corner.
