

My Garden in a Glove Journal

Name _____

I predict that the _____ seed will germinate first
because _____

Daily observations: Each day, draw or write any changes that you see to each seed.

Date	Pointer Finger: Soaked Pea	Middle Finger: Dry Pea	Ring Finger: Dry Pea	Pinky Finger: Dry Pea

Chart continues on other side

Date	Seed 1: Pea	Seed 2:	Seed 3:	Seed 4:

My prediction was incorrect/correct (circle one).

The first seed to germinate was the _____ seed.

It took ____ days for the seed to germinate.

I learned that:

1. _____

2. _____

3. _____
