

ABC's

OF NEW MEXICO AGRICULTURE

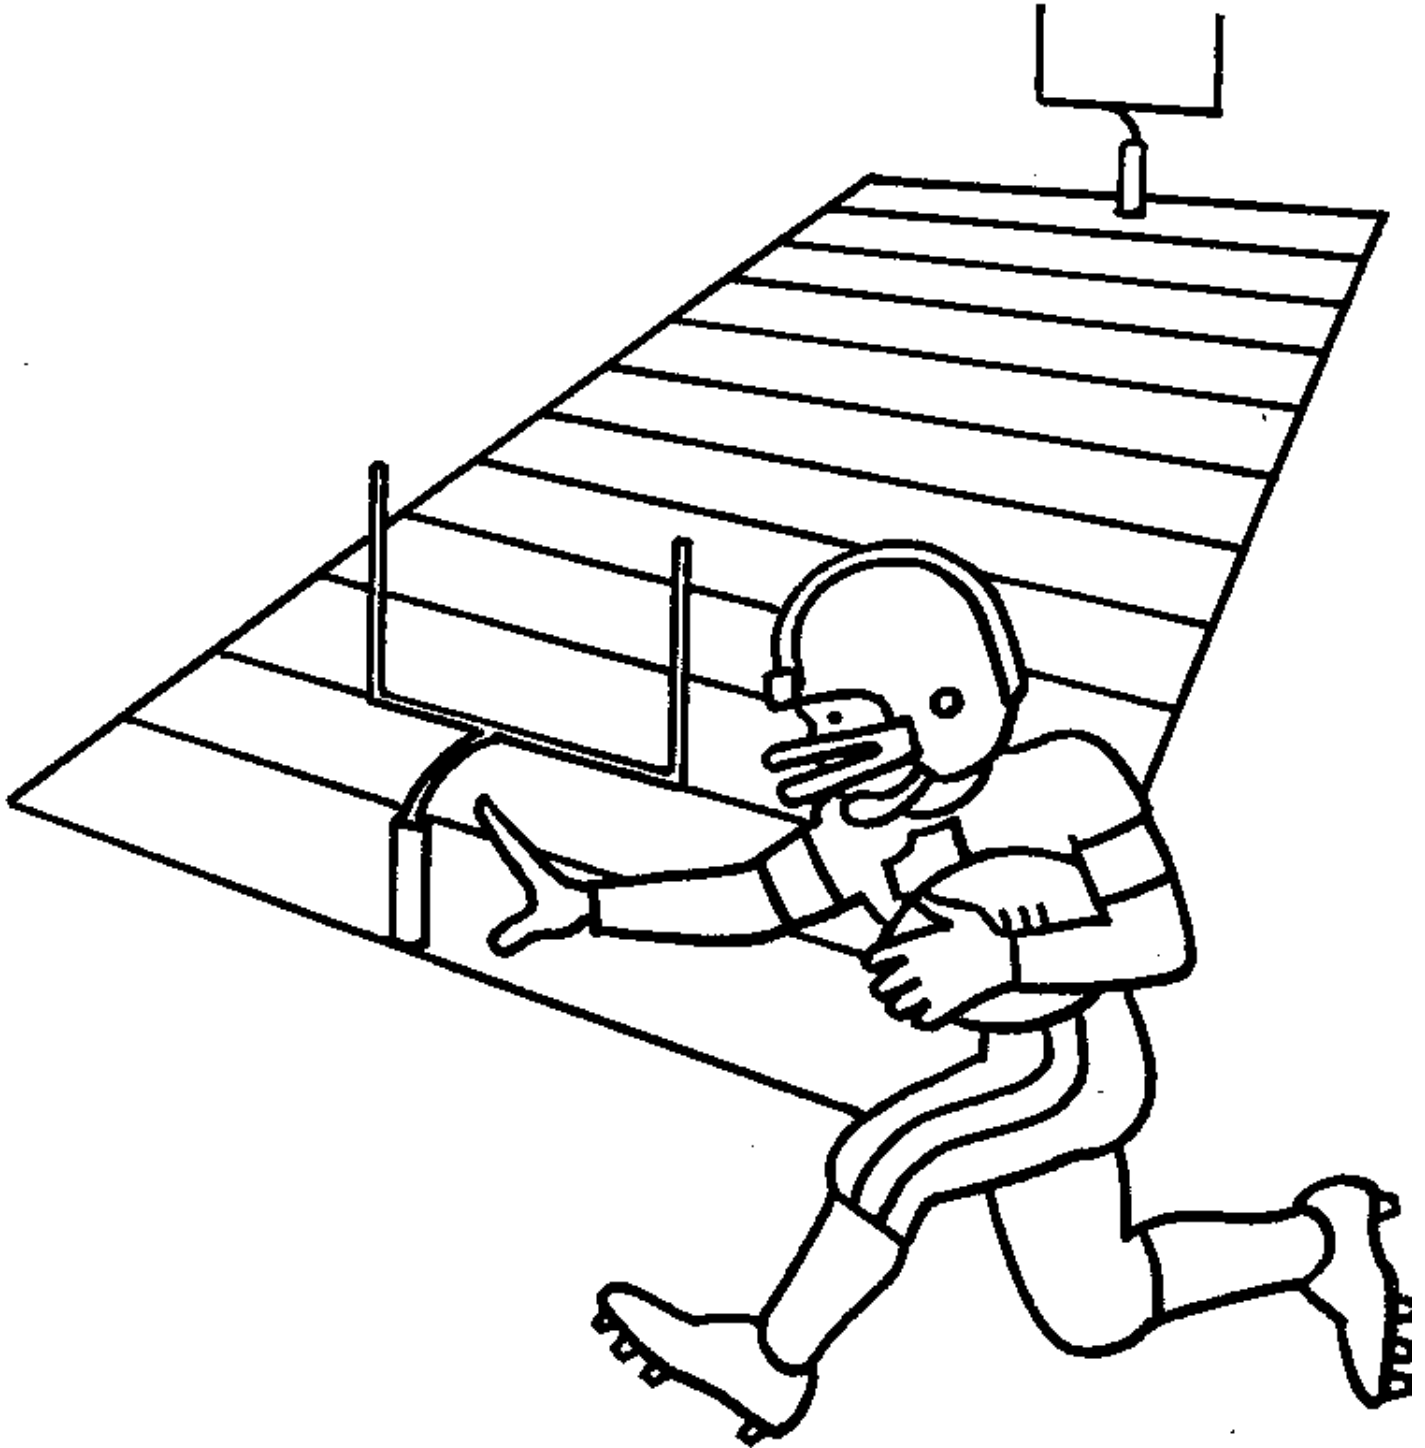

Agriculture is important to NM. Farming is not like Old McDonald's farm. A farm is a business run by a family!

To help you learn more about NM farming, color the pictures and read the stories. Print each word of the ABC's of NM Agriculture.

Agriculture

A

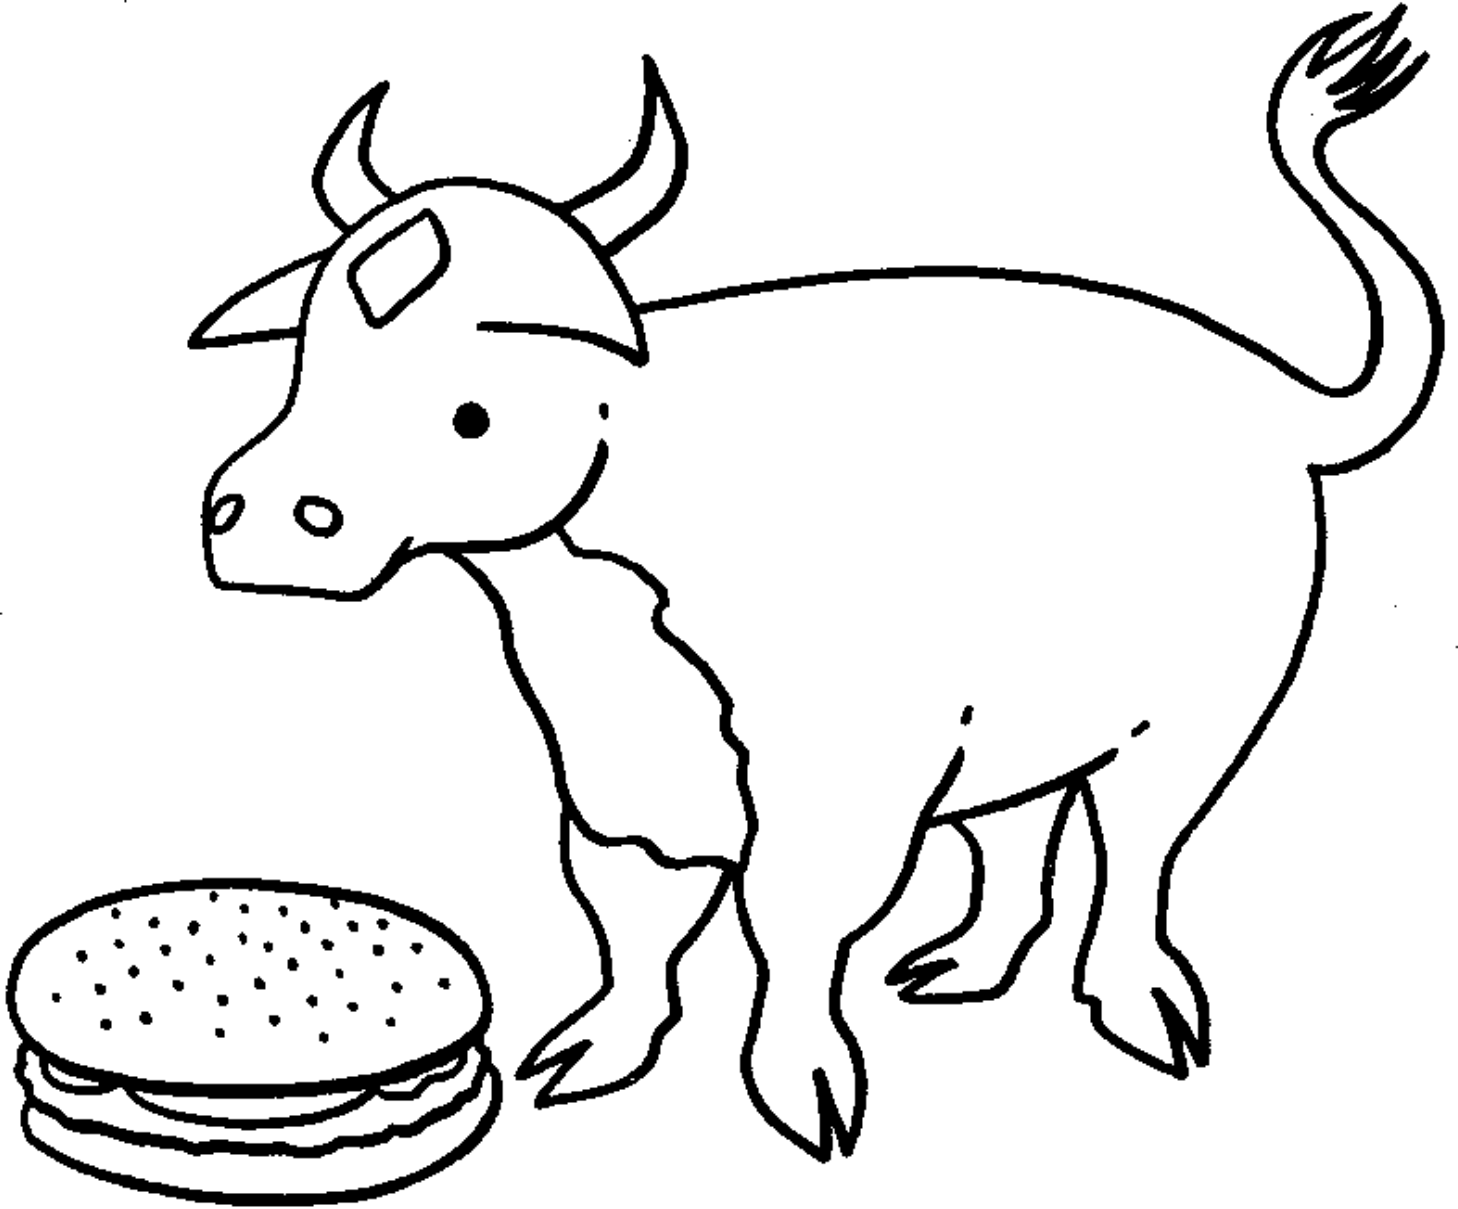

is for **acre**. An **acre** is a way to measure land. It is about the size of a football field.

Read the word below. Then print the word.

acre

B is for **beef** cow. **Beef** gives your family hamburger and steaks. Some things made from a **beef** cow are marshmallows, chewing gum, crayons, medicines, and leather shoes.

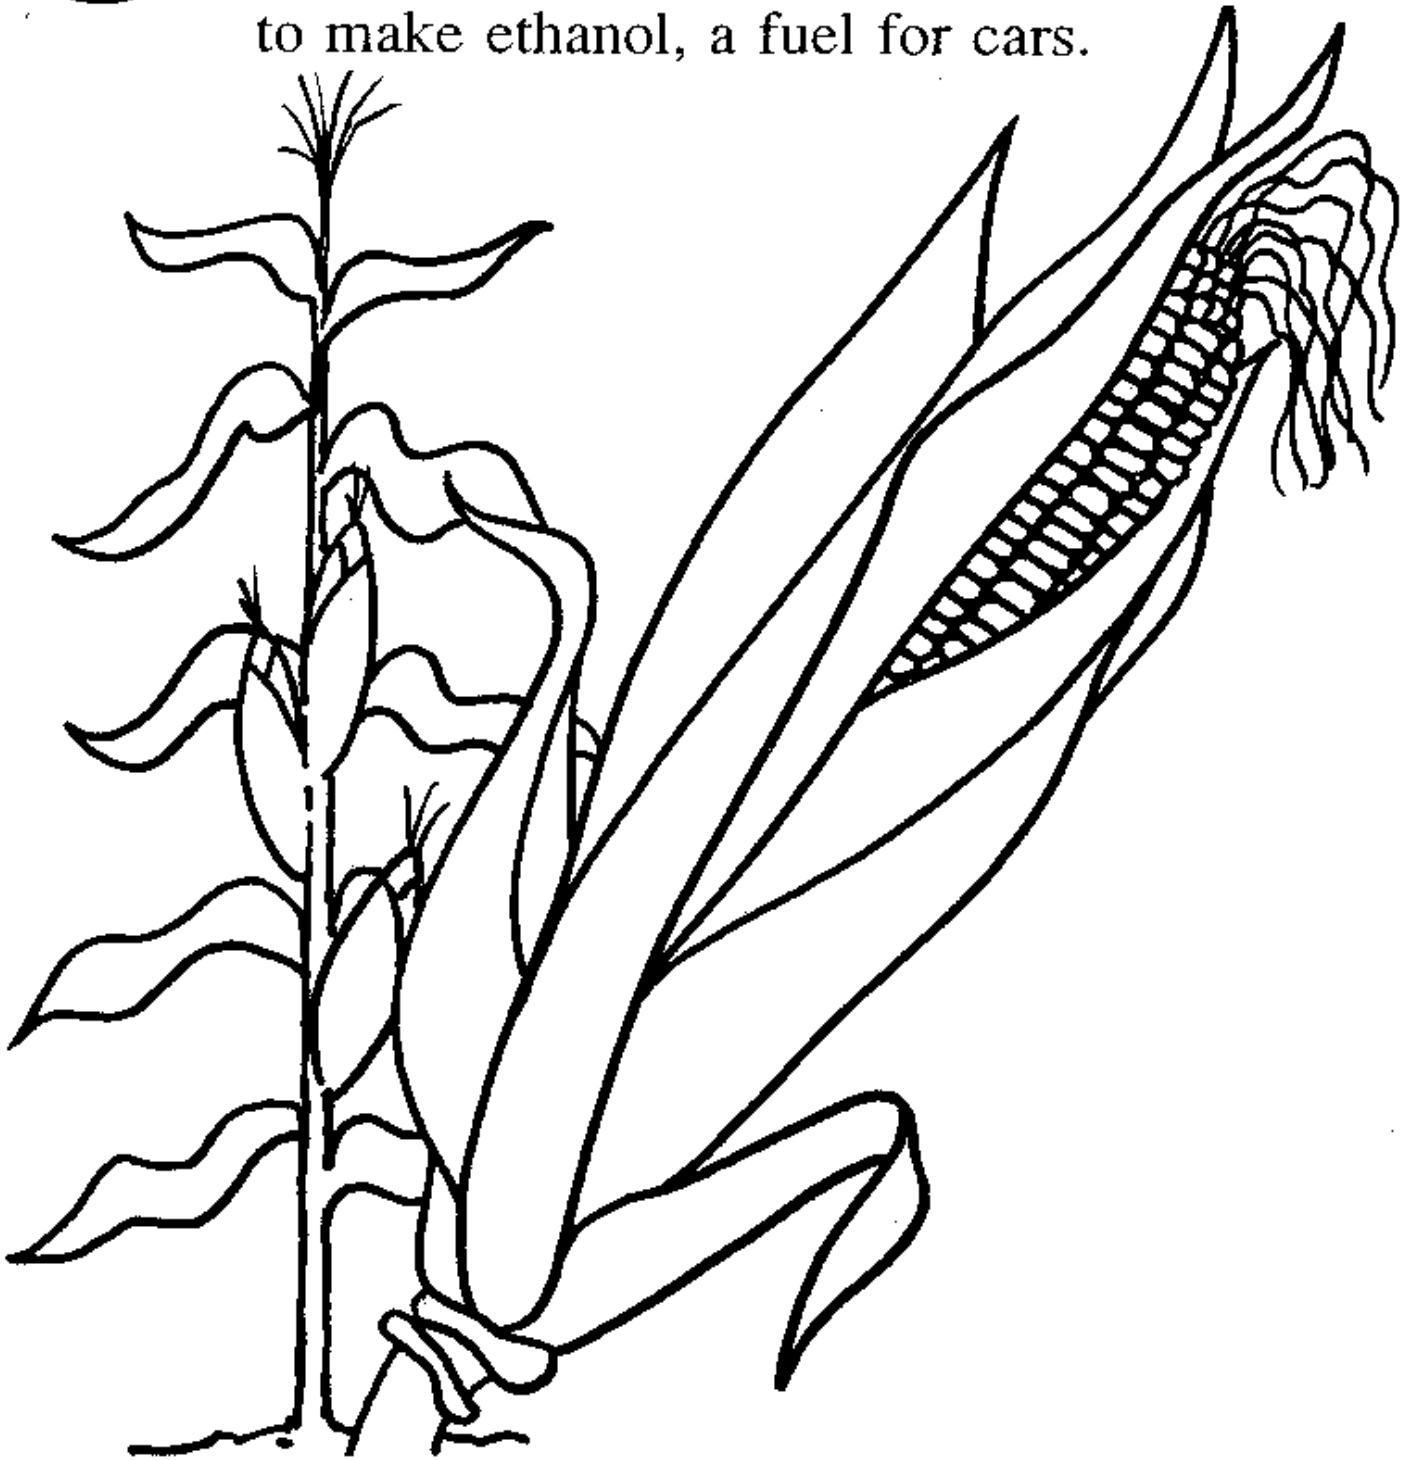

Read the word below. Then print the word.

beef

C

is for **corn**. **Corn** is grown on some New Mexico farms. **Corn** is made into many things that we eat and use, like cereals, soft drinks, and fabric. **Corn** can also be used to make ethanol, a fuel for cars.

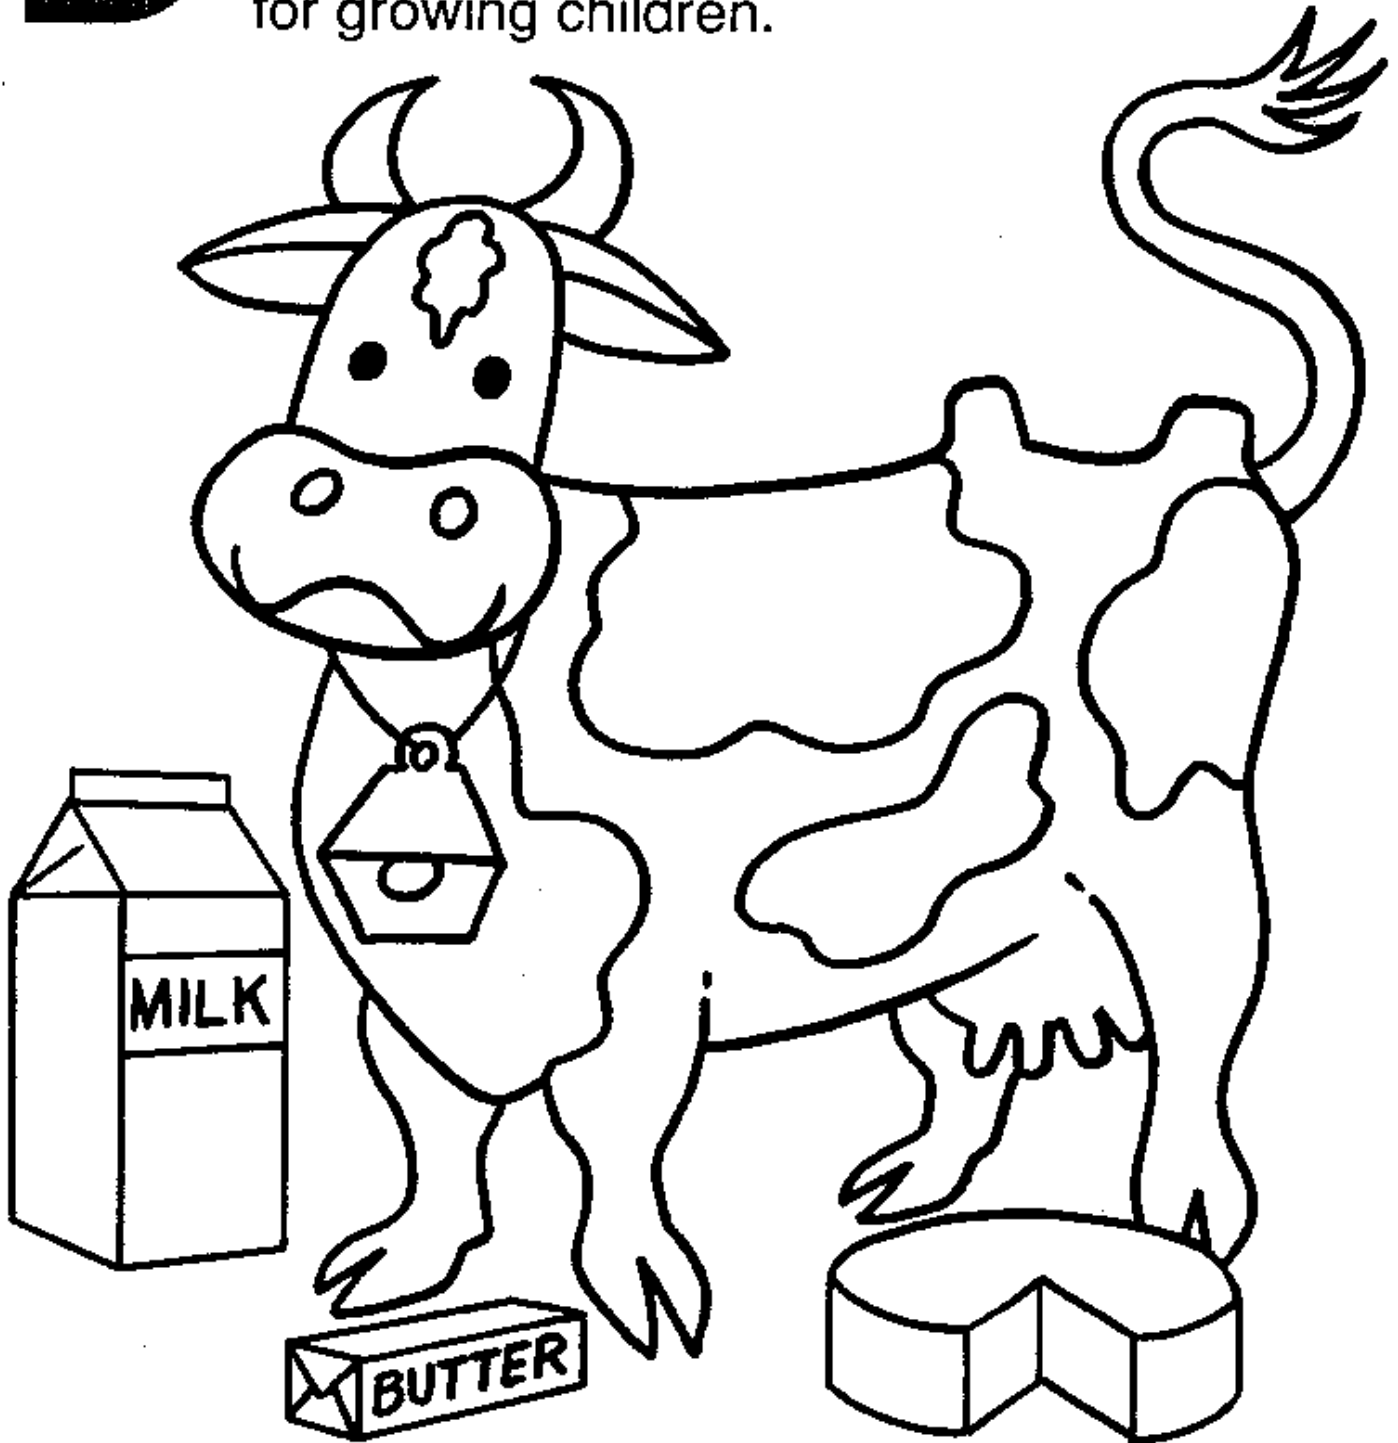

Read the word below. Then print the word.

corn

D

is for **dairy** cow. A **dairy** cow gives about 62 glasses of milk each day. Milk is used to make cheese and yogurt. Milk is good for growing children.

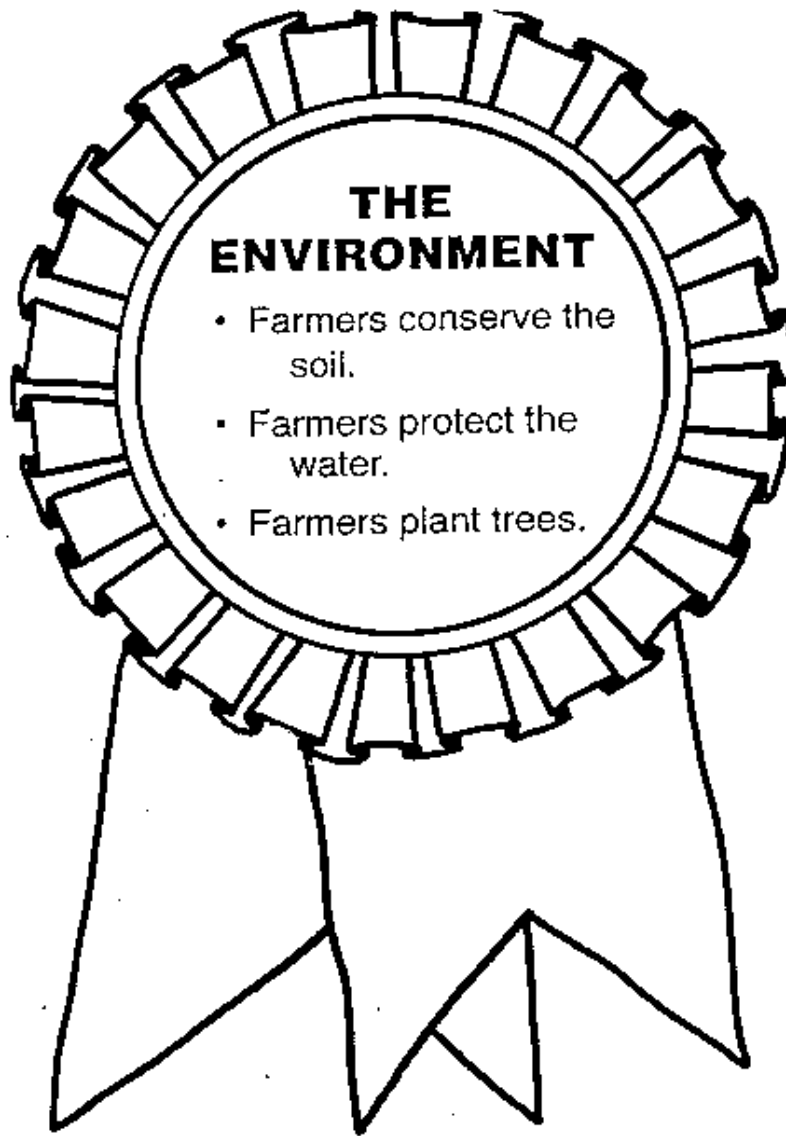

Read the word below. Then print the word.

dairy

E

is for **environment**. New Mexico farmers win a blue ribbon for protecting the environment. U.S. farmers plant 9 billion trees each year and maintain 170,000 miles of windbreaks.

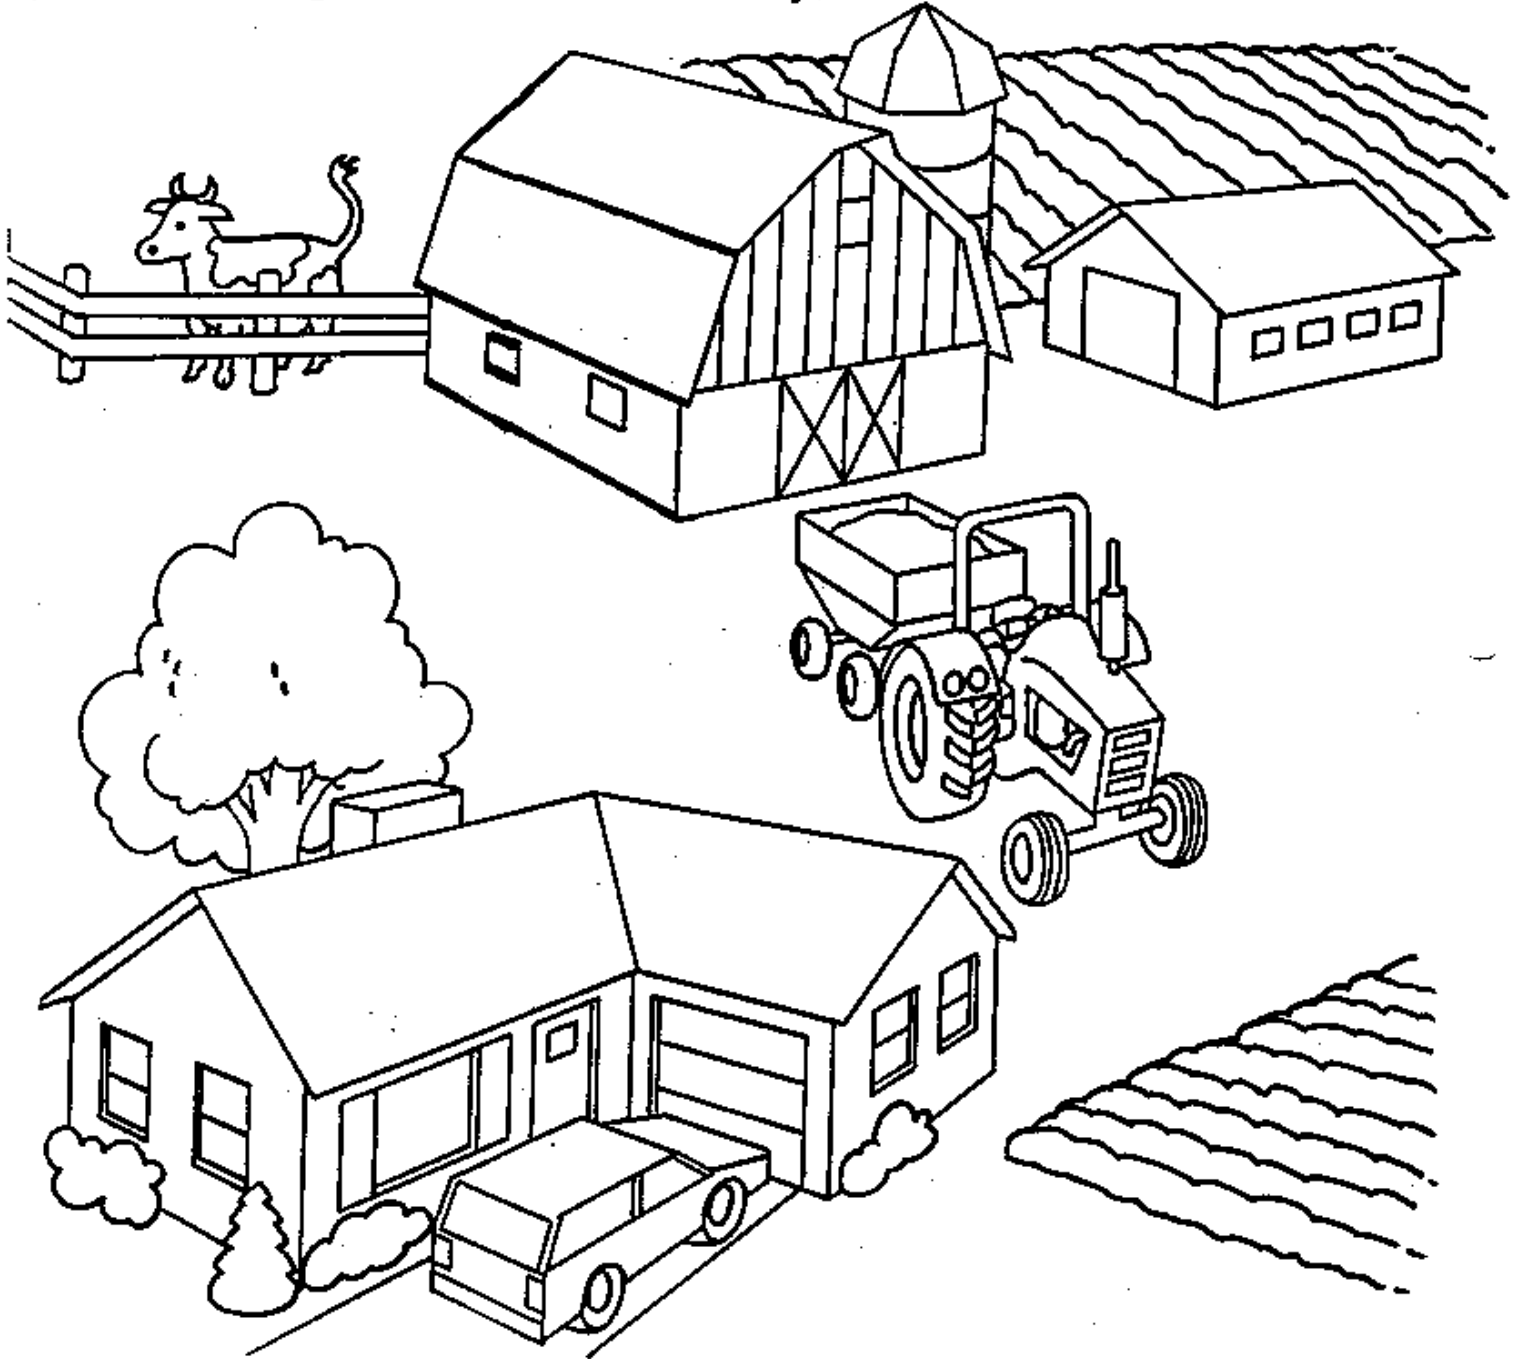

Read the word below. Then print the word.

environment

F

is for **farm**. A **farm** is the place where things are "grown" or "raised" to feed and clothe people. It is the place where the family has their house, barns for their animals, storage for grain and machinery, and fields.

Read the word below. Then print the word.

farm

G

is for **grocery** store. A **grocery** store is where your family buys food. Good food starts on the farm, but many other businesses do their part to bring food to your **grocery** store.

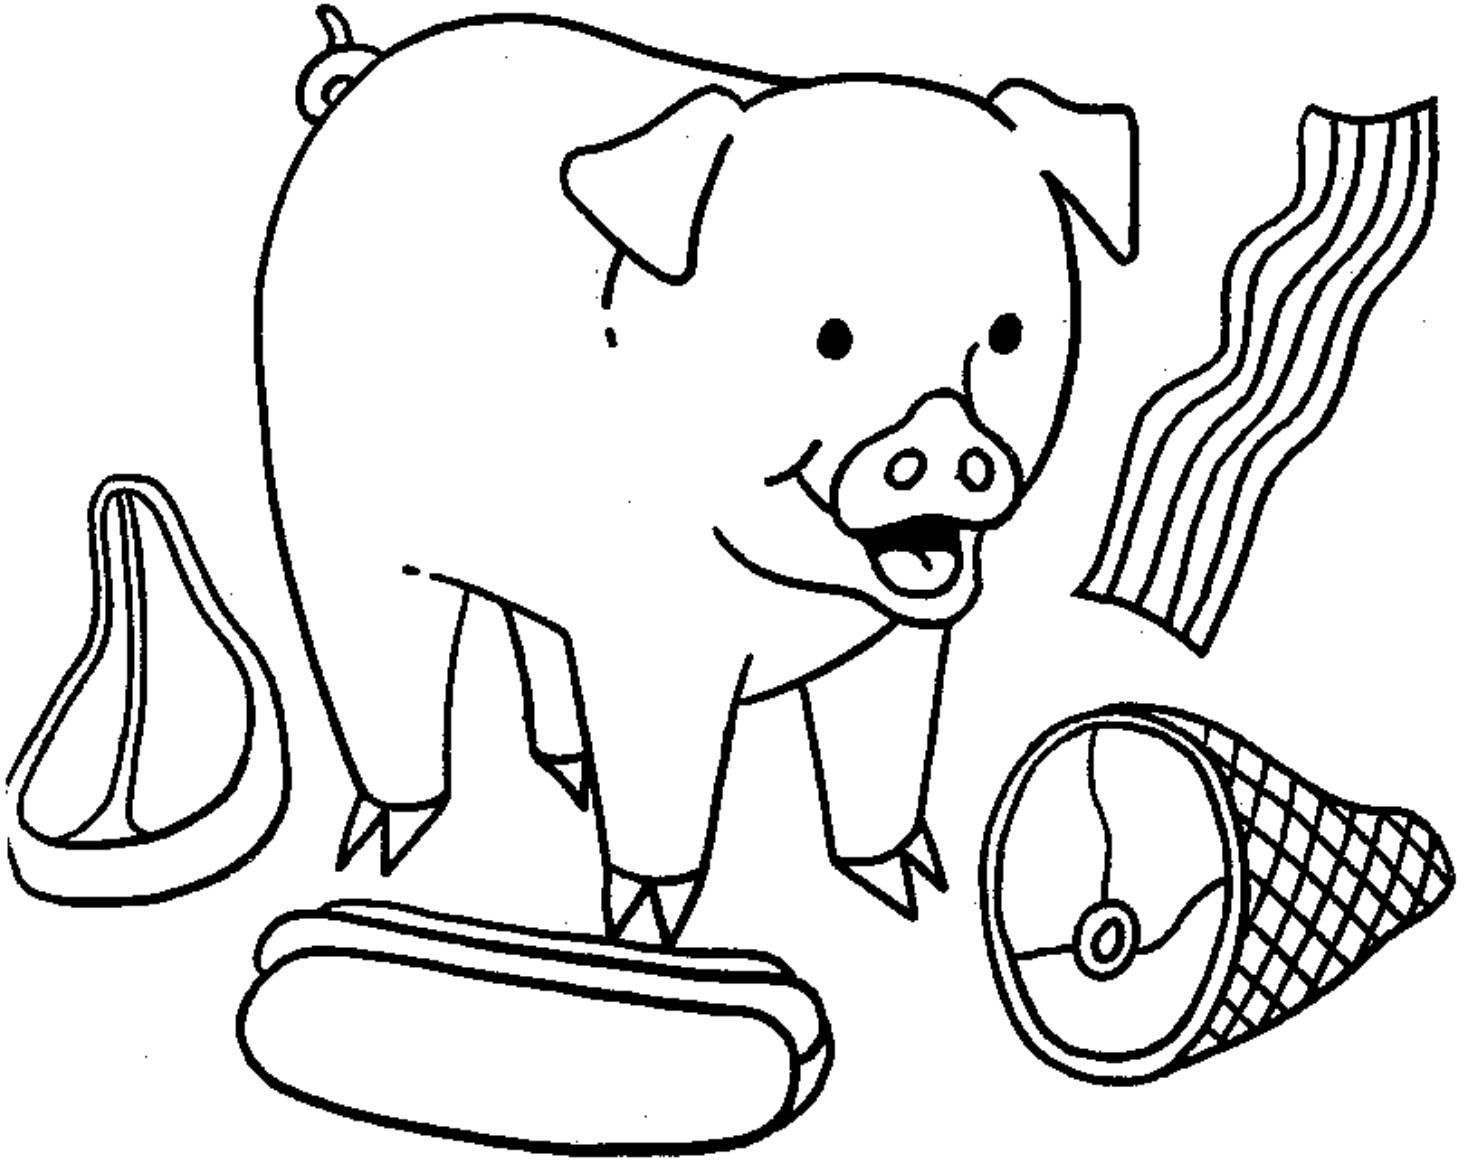

Read the word below. Then print the word.

grocery

H

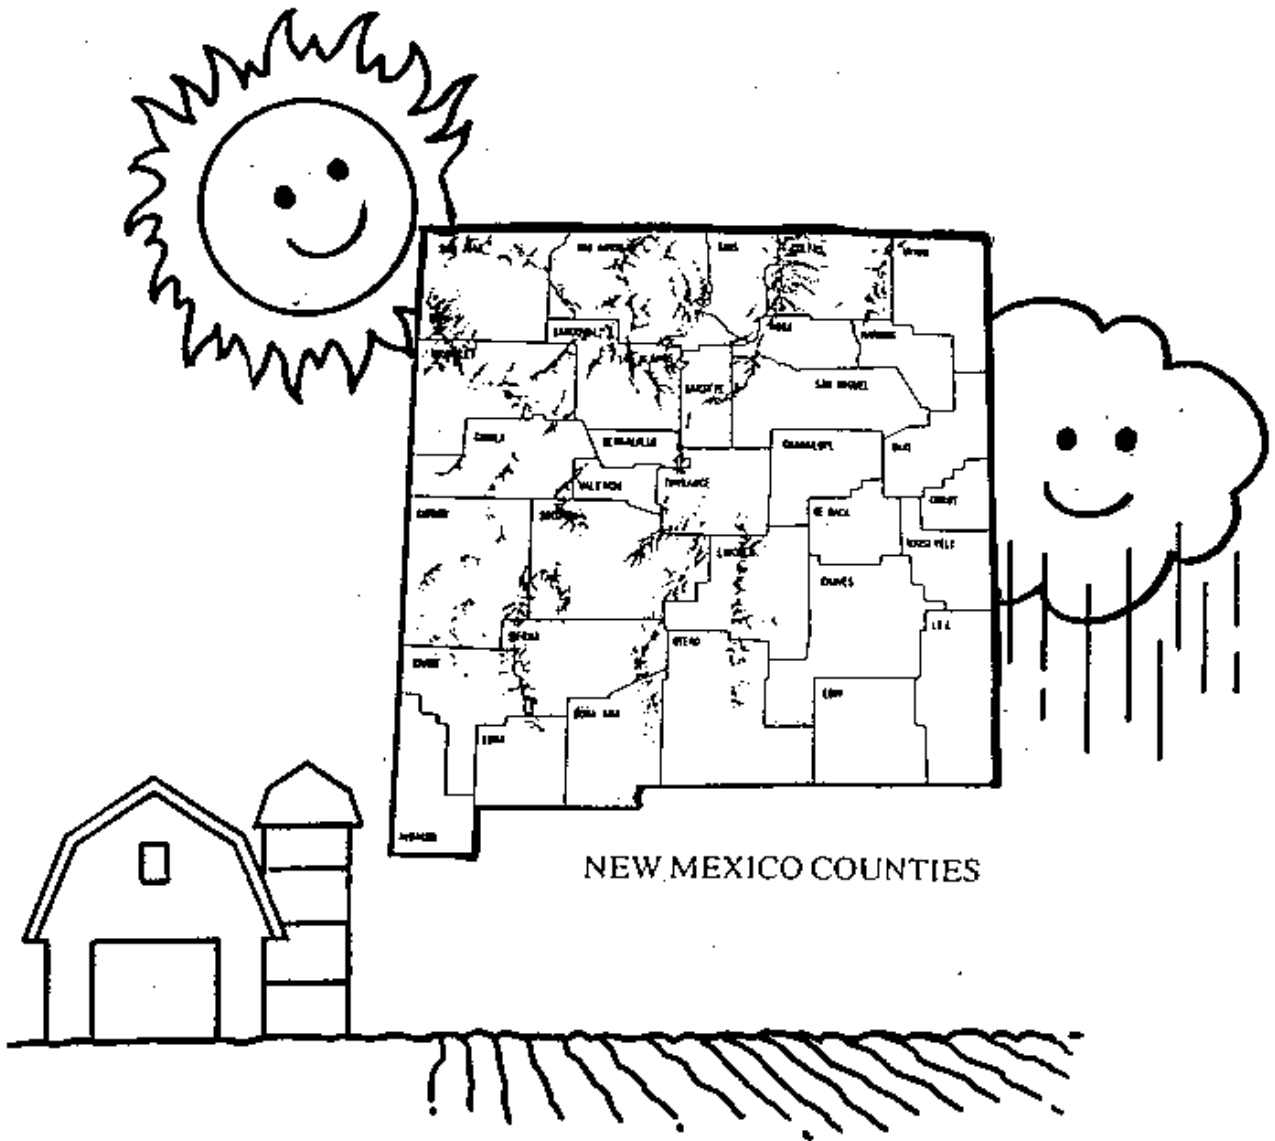

is for **hog**. Can you name the meat products from **hogs** in the picture? Other things like medicines are also made from **hogs**. Farmers work hard to care for their animals and keep them healthy.

Read the word below. Then print the word.

hog

is for **industry**. Agriculture is a billion dollar **industry** in New Mexico. The soil and weather in New Mexico make it a good place to grow crops and livestock for food. Draw a picture of the number one agriculture product grown in your county.

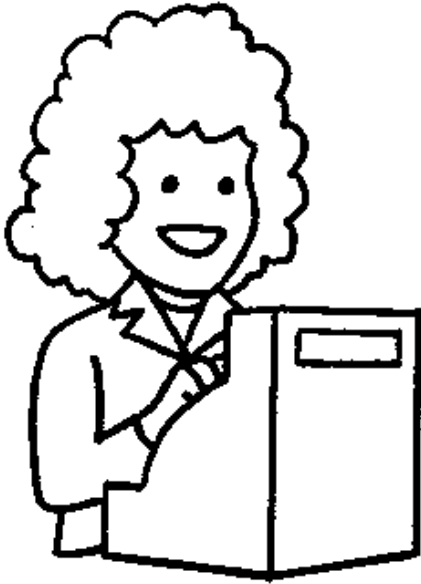

Read the word below. Then print the word.

industry

J

is for **job**. When you grow up, you may have a **job** related to agriculture. Color the picture of the **job** you would like to do.

Cashier

Butcher
