Flip over for assembly directions->

To assemble the kit:

1. Print all files on cover stock/ card stock paper
2. Use paper cutter to separate picture and title cards as well as individual answer cards.
3. Laminate all title cards, picture cards and answer cards. Make sure to leave 1 inch for edging.
4. Cut out each card from lamination sheets. For stability make sure each card as a 1/2 inch of edging.
5. Using the hand held hole punch, punch holes one inch from the bottom left and right corners of the title cards. Repeat in all 4 corners on picture cards and the top left and right for the answer cards.
6. Attach title, picture and answer cards together using book rings, when finished the title card should be on top, then the picture card and lastly the answer card.
7. Fold Game title card into table top tent card for your Ag Links display.
8. Bag each product separately so that you have 12 bags total.
