

Grow with Us Grant Lead Teacher Agreement

I, the Grow with Us Grant Lead Teacher, agree to:

1. Publicize, through local print and broadcast media, the garden and support received from the community.
2. Make links to agriculture, food systems, and good nutrition with the grow system.
3. Use the grow system as a context for learning in my curriculum by using lessons from the [National Agriculture in the Classroom Curriculum Matrix](#).
4. Attend one New York Agriculture in the Classroom curriculum training.
5. Schools must be willing to submit two progress reports each year, for two years.
6. Involve school and community partners.
7. Grow primarily food-producing plants (at least 60%).
8. Maintain the grow system for a minimum of two years.
9. Assess students' agricultural literacy.
10. Maintain yearly contact with New York Agriculture in the Classroom.
