

Sweet n' Buggy Ice Cream

Slogan: *"Dig deep and find the sweets!"*

Target audience: Children who love spending time outdoors, digging in the dirt, exploring nature, and noticing the small things. It's for kids who love critters, have big imaginations, ask lots of questions, and are full of curiosity about the world around them. Sweet n' Buggy Ice Cream is for adventurous kids who enjoy trying new things, getting their hands messy, and finding beauty and wonder in the world around them.

Ice Cream Maker Recipe

Serves 20

Ingredients:

- 6 cups milk
- 3 cans sweetened condensed milk
- 15 tbsp cocoa
- Candy melts (chocolate, vanilla, and optional colors)

- Chocolate rock candies
- Sweet & sour gummy worms
- Green “moss” sprinkles

Instructions:

1. Chill ice cream cylinder ahead of time.
2. Melt candy melts and pour into silicone molds to make the “critter” candies. Let set.
3. Wash cocoa in a little warm water.
4. In large bowl, whisk together the milk, sweetened condensed milk, and cocoa powder.
5. Place the ice cream maker cylinder into the bucket.
6. Pour the chocolate mixture into the ice cream maker, filling about $\frac{2}{3}$ full.
7. Add layers of ice and rock salt around the cylinder.
8. Attach the motor and churn until thick and creamy (about 30–45 minutes).
9. Scoop ice cream into serving dishes.
10. Top with chocolate rock candies, gummy worms, or both.
11. Finish with green “moss” sprinkles
12. Dig deep and enjoy the sweets!
