

Mac-a-Taco Dip

Ingredients:

Dip

One box of spiral or shell noodles. You can choose any variation that you'd like. We are using ½ a box of each.

Salsa 2 cups (chunky or smooth) -Any brand will do

1 package taco seasoning

2 cups sharp yellow cheddar cheese shredded

2 cups of sharp white cheddar shredded

½ cup grated parmesan cheese

1 cup milk (before you bake: add one more cup of milk after mixed together if needed)

1 cup heavy cream

1 egg

1 stick salted butter ½ cup

2 tablespoons of flour

Add salt and pepper to taste

Toppings after baked: (place in individual serving bowls or on plates.) *Optional*

- shredded cheddar sharp cheese/white cheddar
- Diced sweet onion
- Shredded lettuce
- Diced tomatoes

-Squirts of lime over serving if desired

For Dipping:

Use tortilla chips multi colored or plain

Directions:

1. Cook your noodles on the stovetop in a pot. Cook until they are almost done. They will cook more in the oven. Rinse with cool water and set aside to drain.
2. In a sauce pan melt butter. Add milk, heavy cream and bring to a boil. Stir often so it does not burn.
3. Add in all cheeses one at a time and stir for 3 minutes or until all cheese is melted.

4. Whip in the egg and flour.
5. Add in packet of taco seasoning. Mix well
6. Add salt and pepper to taste
7. Add the noodles to the sauce
8. Add salsa and mix throughout
 - If too thick... add one more cup of milk and mix
9. Pour into a 9x13 baking dish and bake for 25 minutes at 350 degrees.

Take mac and cheese dip out of the oven. Let cool for 5 minutes.

Spoon dip onto plates for individual servings. Add any toppings you may enjoy and start dipping!
