

Easy, Peasy, Mac and Cheesy Pizza!

By Mrs. Taylor's Kindergarten Class

Thank you so much for the Mac and Cheese Pizza, what a wonderful surprise this Monday afternoon! I give it a rating of 5 stars--it combined two of my favorite foods-Macaroni and Cheese and Pizza!!!! I love all the yummy gooey cheese, and the pizza crust was just right!! I might just have to make this at home for my family! Thank you everyone, you are all "Super Chets!"

Wow! Your Macaroni pizza really filled the bill today! The cheese was mild but perfectly flavored for pizza, the macaroni was cooked to perfection, not too mushy and not too hard. The crust was a lovely finish to a delicious treat! There was just enough crunch to offset the rich topping and make my mouth want to bite into it until it was all gone.

Mrs. Taylor's Kindergarten class made a delicious Mac & cheese pizza. The pasta was cooked perfectly, the amount of cheese to pasta ratio was good & topped with cheese made it extra delicious. I thought the pizza crust was a really unique touch and made eating the Mac & Cheese fun too.
