SUMMER BEEF TOUR

AUGUST 22, 2023
CANANDAIGUA, NY

Spring Pond Farms Tour

Begin the day with a tour of Spring Pond Farms with owner John Kriese. On the farm you will learn about the beef cow lifecycle, animal handling, and genetics.

Cooking at New York Kitchen

Travel to the New York Kitchen to engage in “a working lunch” as you learn about beef protein while developing and cooking a beef centric meal with Chef Patrick Rae from Finger Lakes Community College.

Free Resources and Travel Stipend

Participating educators will receive a $100 travel stipend, seven CTLE credits, lesson kits, and classroom resources. This experience is open to certified New York educators planning to teach in the 2023-24 school year.
