**OBJECTIVES:** At the end of this unit the students will:

1. List animals and a product they produce.
2. Correctly use vocabulary words in relation to animals.

**BACKGROUND:** Many products we eat, wear, and use in a variety of ways come from animals. This lesson begins a process to introduce students to some information about animal agriculture which will be reinforced in future Agriculture in the Classroom materials.

- ACTIVITIES:**
1. Have the students read pages 30 and 31 in "Great Pumpkins."
  2. Have the students complete the animal products activity on page 34 in "Great Pumpkins."
