

JUNE IS DAIRY MONTH

Help teach Flat Bessie about New York State Dairy!

Celebrate Dairy Month by decorating Flat Bessie with your:

- favorite dairy facts!
- favorite dairy snacks!
- best memories of being on the dairy farm!
- favorite photos of dairy farmers, cows, and treats!

Bessie will travel from school to school meeting classrooms and picking up information. At the end of her journey Bessie will be displayed in your region's Taste NY Market!

Please contact Jessica.Henesy@agriculture.ny.gov with questions.
