

AGGIE & ANNIE

RESOURCE GUIDE

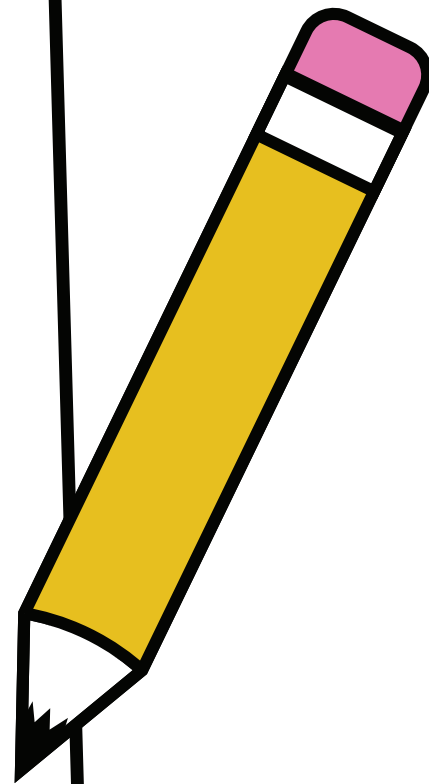

Dear Friends,

We hope you learned a little bit about agriculture while reading our book! We had so many wonderful adventures! Where do you think Flat Aggie and Flat Annie should go next?

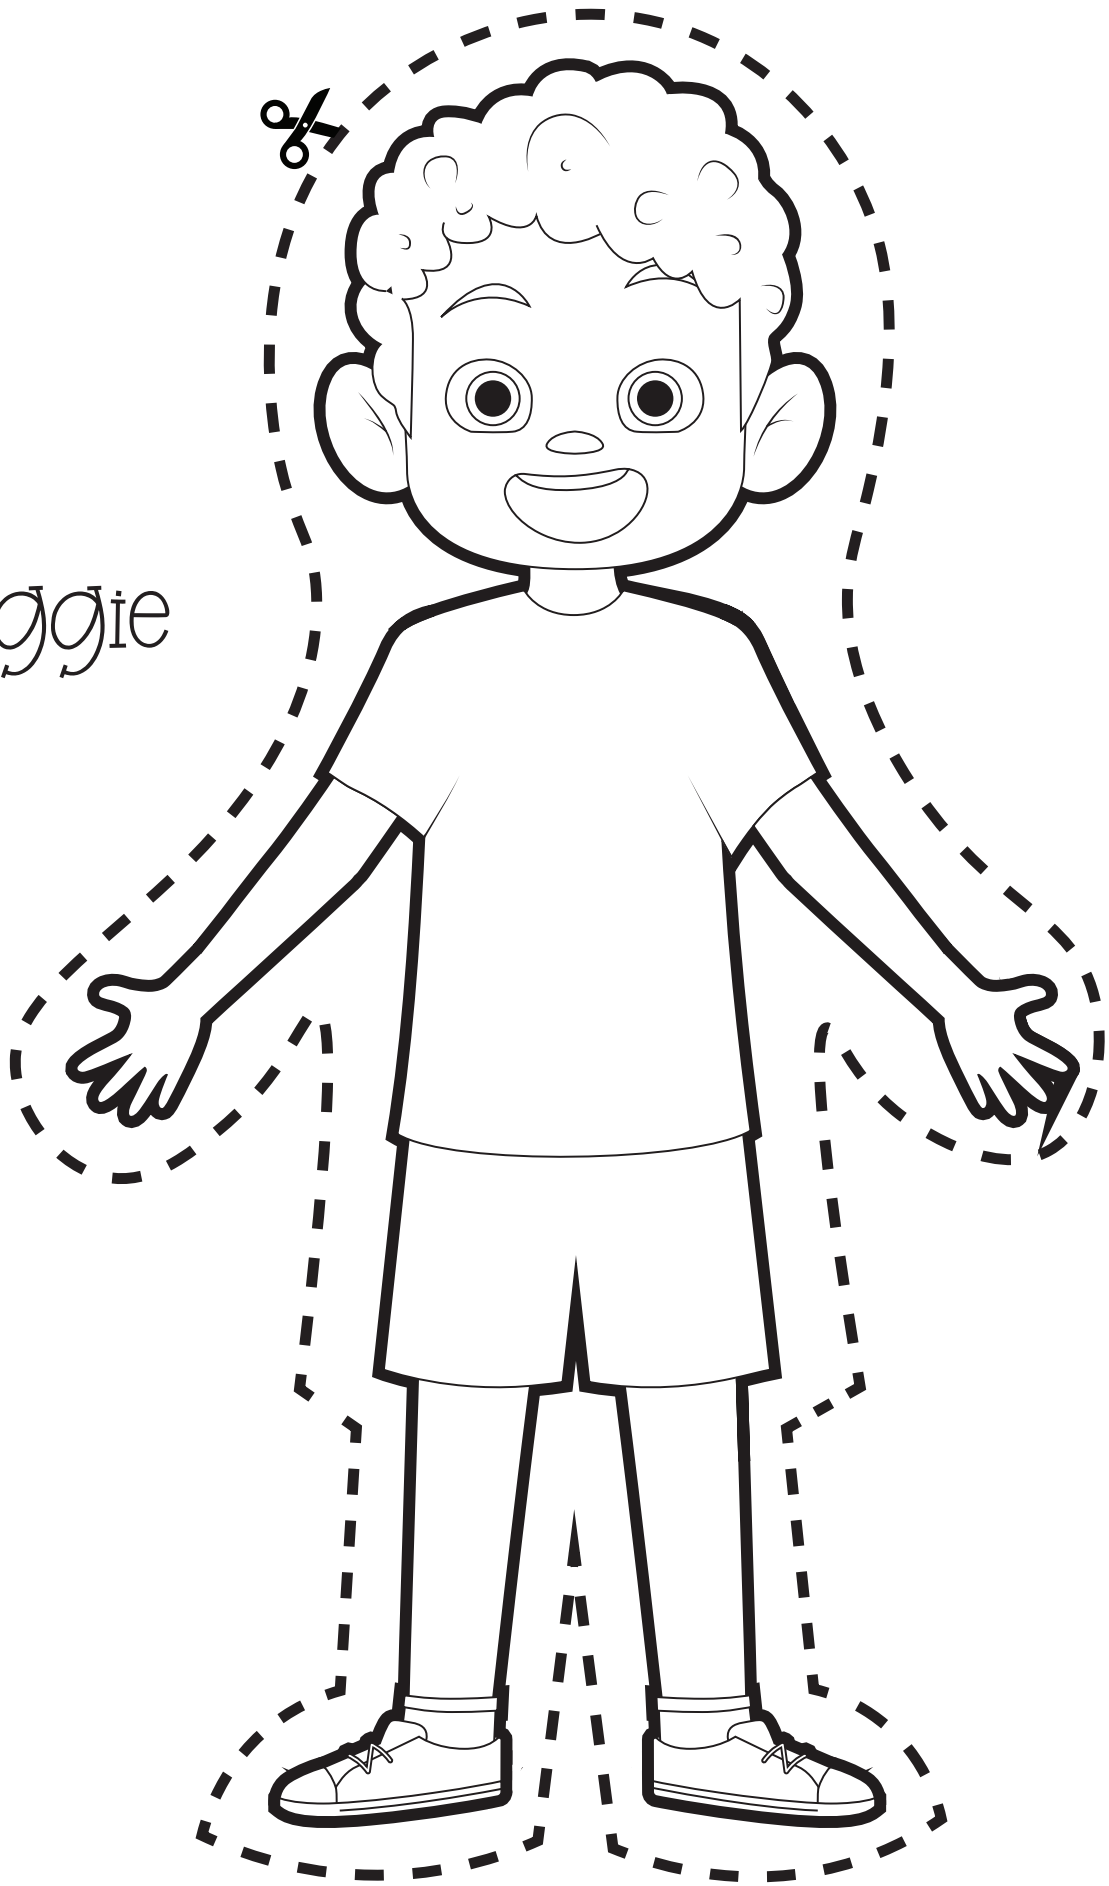

In this guide, you will be able to learn how to write a friendly letter, create an email, explore mapping skills, enjoy fun activities, all while learning how agriculture is all around us. Contact a friend, another state, or country to send your Aggie or Annie for more agriculture adventures. We can't wait to see where you will take us!

Your friends,

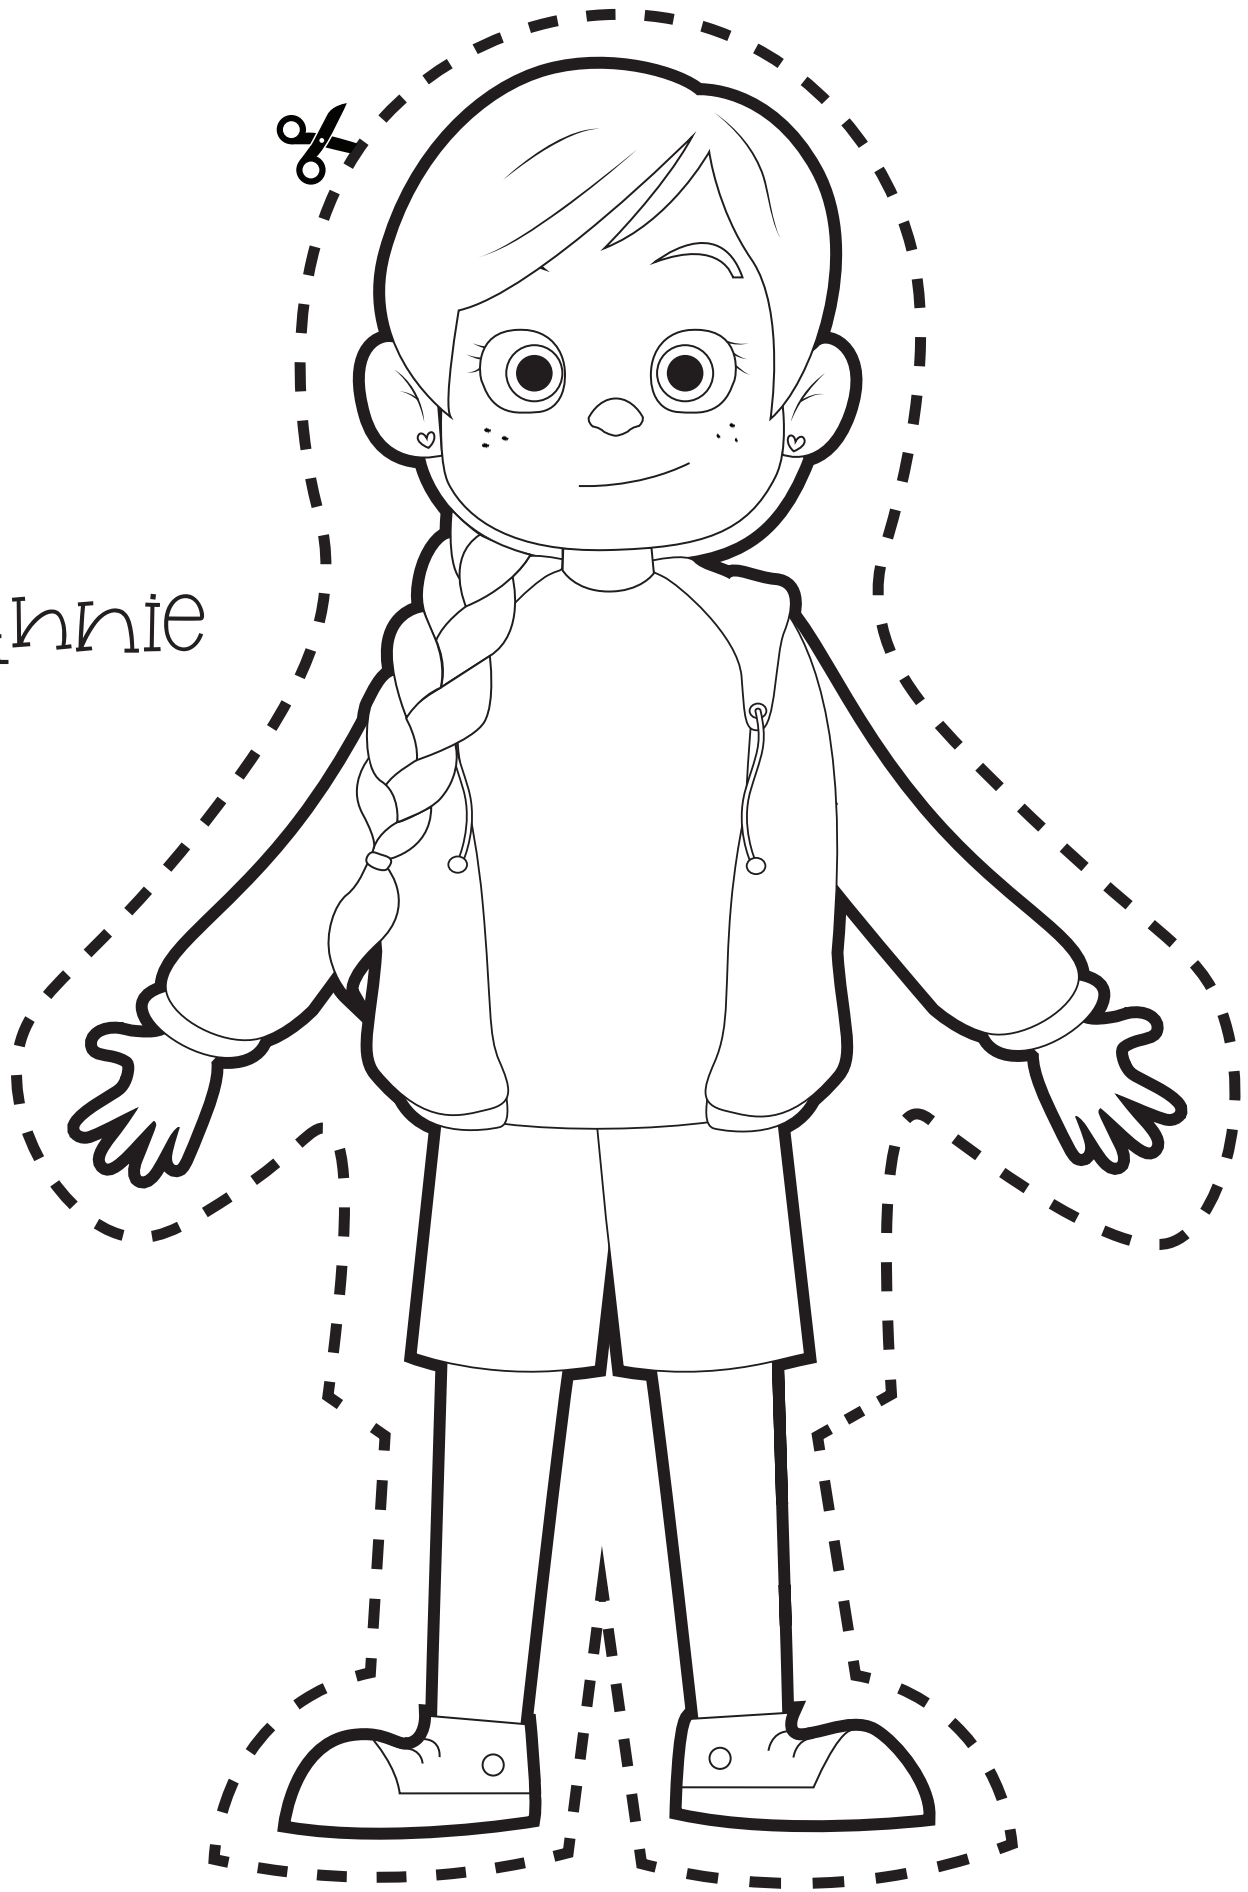

Aggie and Annie

SUPER SLEUTH - AGGIE & ANNIE

Annie and Aggie helped the Ag. investigators in the mystery of the vanishing crops by cleverly camouflaging themselves as cows.

What other cases could Annie and Aggie crack using different disguises? Use your imagination and write a case to match each disguise. The first one is done for you!

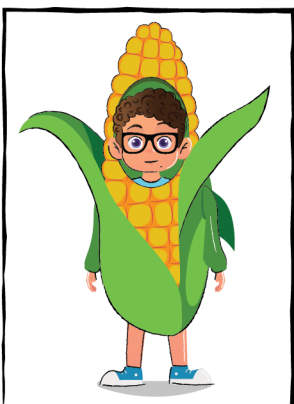

CASE No. 1

The farm had a problem with runaway sheep, Aggie
dressed as cowboy. Wearing a hat and boots, he used
his skilled lasso to round up the sheep.
