

Ag in the Playing Fields

Presented by Ronnie Eckart, Elementary Librarian at Moore Public Schools

Wednesday July 22 Session 1 PM 1:30-2:20

ELEMENTARY FOCUS

Ag in the Playing Fields: Participants will have the opportunity to learn about all the different agricultural products used in sports, from the turf to the items they use to play the sport! Teachers will see a variety of activities that can be used with this Ag in the Classroom lesson, from taking apart footballs or baseballs to researching which sport has the most items related to agriculture. This lesson is great to make a connection with your sports-loving students.
