

Apple Engineering

Presented by Kelly Wardlaw Ph.D., 8th grade Science teacher at Stillwater Junior High

**Thursday July 30 Session 2 PM 2:30-3:20
HIGH SCHOOL FOCUS**

Apple Engineering- We all know apples are good for our bodies, after all “An apple a day keeps the doctor away.” But did you know apples can also be good for your brain? Put your brain to the test as you compete to build the tallest apple tower. Then practice problem solving skills to design, build, and test an apple picker.
