

Science Exploration Trunks: A Free Science Lab Experience For Your Classroom

Presented by C. Frank Hardin, Ph.D. with the Noble Research Institute

**Wednesday July 22 Session 2 AM 10:00-10:50
HIGH SCHOOL/MIDDLE SCHOOL FOCUS**

Science Exploration Trunks: A Free Science Lab Experience For Your Classroom:

The Noble Research Institute's Science Exploration Trunk program is a free, hands on science and agricultural based experience for educators and their students. The trunks contain safety glasses, gloves and all of the supplies to perform eight classes of experiments. Depending on which trunk is chosen, students will learn about topics such as the Carbon Cycle, Refractometry, Soil Testing, and more.
