School

AGRICULTURE'S ROLE IN YOUR SCHOOL!

OKLAHOMA AG IN THE CLASSROOM

Agriculture is Everywhere, even at School!

Whether your backpack is made of cloth or leather, it was created from agricultural products grown or raised by farmers.

What ag products can be found in your school supplies?

Soybeans

Cedar Trees

25% Linen
75% Cotton

Animal By-Products

Corn

Trees

In the Classroom

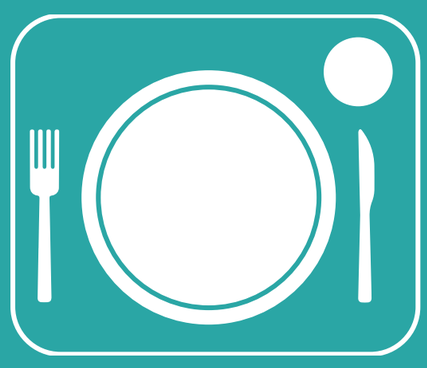

Ink from soybeans is used to print textbooks.

Timber is used to make desks.

Cotton is used to make jeans and t-shirts.

In the Cafeteria

The cafeteria is serving a delicious lunch of pizza, salad, a peanut butter cookie, and a cold glass of chocolate milk.

All of these foods are grown on a farm or ranch.
