PUMPKIN

EARLY CHILDHOOD

Pumpkins are everywhere in the fall. Most pumpkins are orange. Some pumpkins are yellow, white, or even green. Pumpkins come in all sizes from tiny to giant.

The inside of the pumpkin is used for food. People make pumpkin pie, pumpkin bread, and pumpkin soup. The seeds may be roasted and eaten, too.

Many people carve a face in the pumpkin. This is called a jack-o'-lantern. The jack-o'-lantern is used at Halloween.
