## COOPERATIVE EXTENSION

Hello Education Administrators and educators,

Attached you will find a letter announcing the opening of our Annual Farm Field Day Registration for 2012. This event is for 2<sup>nd</sup> graders across the county and we would like to invite your students to participate! (If space permits we may allow some 3<sup>rd</sup> grade classes to also join.)

This event will provide a firsthand experience for these young children to learn about agriculture on a working farm. Please forward this letter on to the appropriate teachers who may be interested in this program. Registration can be found at: <http://saltlakecounty4-h.org/htm/event-registration/farm-field-days> For more information, our contact info can be found on the letter.

Thank you, and have a great day!

Vernon Parent  
Salt Lake County 4-H
