

JOIN US AUGUST 4-5, 2015, AT UTAH STATE UNIVERSITY

This exciting two-day institute is designed to help K-5 teachers infuse their existing curriculum with the depth and real-world relevance that agriculture can bring to classroom learning experiences. Packed with food, tours, and in-service training, this special event will provide professional development, foster agricultural literacy, and equip educators with research-based lessons and activity ideas that will bring new excitement to the coming school year.
