

Agriculture in the Classroom Honor Roll of Donors

2013-2014

One of the most important things that the Virginia Foundation for Agriculture in the Classroom does is to say thank you to all of you who have generously supported the AITC educational programs. We cannot do what we do without you and we cannot say thank you often enough to let you know how much your support is appreciated.

The list below recognizes business and organizations that have supported AITC. As this list is published on line we have not included individual names to preserve donor's privacy.

Please know that all gifts are important to us! If you would like to have a full Honor Roll of Donors or have any questions, please contact Executive Director Karen Davis at 804-290-1142 or karen.davis@vafb.com.
