

Pizza Farms!

The foods in pizza come from the farm! Some are tomatoes, cheese, pepperoni, and wheat. Those foods are called a good. The farmer that grows the food is also doing a service.

PIZZA MAKING

A Pizza Farm is divided into slices like a pizza. The farm grows all of the things needed to make a pizza!

What is your favorite pizza?

You can make your favorite pizza! The farm grows all of the things needed to make it!

What you need: pizza sauce, English muffins, shredded cheese, spoon

WHAT TO DO:

1. Take half of an English muffin.
2. Put two spoons of sauce on the muffin.
3. Add some cheese on top.
4. You can also add any vegetables.
5. Eat and enjoy!

Looking into our Communities Help wanted...Jobs on the Farm!

Looking for jobs on the farm? The farmer is not the only job. There are a lot of other jobs that need to be done on the farm. You could be a **mechanic**, **veterinarian**, **scientist**, or even a **truck driver**. On the farm there is always work to be done! What is your favorite job?

Veterinarian

They take care of animals and help keep them healthy.

Cross out the picture that is NOT the veterinarian.

Mechanic

They repair farm machines like tractors and trucks.

Cross out the picture that is NOT the mechanic.

Truck Driver

They carry most of our food to us like eggs, milk, and corn.

Cross out the picture that is NOT the truck driver.

Scientist

They help farmers find better ways to grow vegetables and animals.

Cross out the picture that is NOT the scientist.

Farming Goods and Services

“What’s your favorite job on the farm?”

What is a Good?

A good is something people grow on the farm.

What goods are on the farm?

- Vegetables
- Fiber
- Meat

What is a Service?

A service is an activity done by people on the farm.

Who provides a service?

- Scientist
- Mechanic
- Truck driver

Who uses these tools? Write “V” for Vet.
Write “S” for Scientist. Write “F” for Farmer.

This truck is delivering a good from the farm. Draw and write your favorite food from the farm on the side of the truck.

Resources Everywhere!

What is a Resource?

- Human resources are people working to produce goods and services.
- Capital resources make other goods.
- Natural resources come from nature.

What resources are on the farm?

- Mechanics
- Buildings
- Soil and water

What resource are they?

Write “N” for natural resource • Write “C” for capital resource • Write “H” for human resource.

Circle the consumer goods.

What is a Consumer?

- We are consumers.
- We buy what we need.

What is a Producer?

- A producer grows what people need.
