

TIS THE SEASON TO

THANK A FARMER

Each year Virginia farmers provide us with safe, nutritious and delicious food. Join Agriculture in the Classroom and "thank a farmer" by asking your children to submit an original piece of art giving thanks for farmers.

AITC will choose the best elementary and secondary submissions and those children will receive a gift card prize.

To submit, take a photo of your student's artwork and email to aitc@vafb.com. The deadline for submission is November 23.
