

Peek a Boo Barn

Discover various animals that are found on the farm and learn about the different tools and machines that farmers use.

Directions

1. Have each child place a red piece of construction paper on their desk vertically.
2. Fold the top two corners in to make a point (2 triangles).
3. Fold the bottom up to meet the bottom of the triangles.
4. Use a marker to draw a barn door.
5. Cut out or draw pictures to go in the barn. Discuss animals that may be in the barn as well as tractors and tools.

Supplies

- Red construction paper
- Magazines with farm related pictures
- Scissors
- Glue
- Markers
