

**Washington Ag in the Classroom** promotes agricultural literacy and our projects reflect that purpose.

*Washington agriculture produces and processes food, fiber and fuel which is VITAL to our economy and national security. Educating our youth about where their food comes from and how it's produced is essential as we all need to eat.*

**Sponsor levels (recognition is cumulative and will include everything listed above each level):**

**Level 1 - Up to \$100+** 1 time per year listed as a supporter in the teacher guide of our Ag@School magazine

**Level 2 - \$250+** plus listed as a sponsor on our website, social media and printed material acknowledgement

**Level 3 - \$500+** plus a link to your website on our website

**Level 4 - \$1000+** plus your logo on our website, and in Ag@School 1 time per year

**Level 5 - \$2500+** plus invitation to sponsor an article within an issue of the magazine with your logo by the article

**Level 6 - \$5000+** plus be featured in the career corner and company highlight in an issue of Ag@School

**Level 7 - \$10,000+** plus the opportunity to have an aurasma video link in your sponsored article in Ag@School

**We have editorial control over our publications but welcome input and content from our sponsors**

**A few statistics:**

Ag@School is published 3 times per year – Fall issue – General overview of WA agriculture, Winter issue – Technology, Spring issue – Stewardship

Ag@School currently services over 262 educators (9175 students) within Washington

Outreach partnerships – partnering with various partners within communities to do Ag literacy projects ranging from 3<sup>rd</sup> to 5<sup>th</sup> grade targeting 2,050 students and 82 educators

Facilitate an agriculture day within the Northwest Natural Resource Institute in the Spokane area for 30 teachers K-12

**Washington Ag In the Classroom (WAIC) is funded totally by donations from individuals, organizations and business entities interested in Agricultural Literacy.**

**Ag in the Classroom needs your support in developing agriculturally literate students and educators!**
