## ***Fun Faces of Wisconsin Agriculture Bingo Game***

1. Cut out the cubes to make the Number Cube and the Character Cube. Fold, tape and they are ready to use!
2. You can use the bingo game cards that are ready to use (2-7) or you can have students cut out the characters and make their own bingo card using the blank bingo card template.
3. Roll the character cube. Note that two sides have two characters so they get a bonus character on these.
4. Roll the number cube to see what line they are looking at.
5. They will put markers on all the characters that were rolled on the line that was rolled.
6. You can have fun making up your own bingo games- traditional, all corners, blackout and more!

Cut out the outline of the cube and then fold and tape to make the line cube.

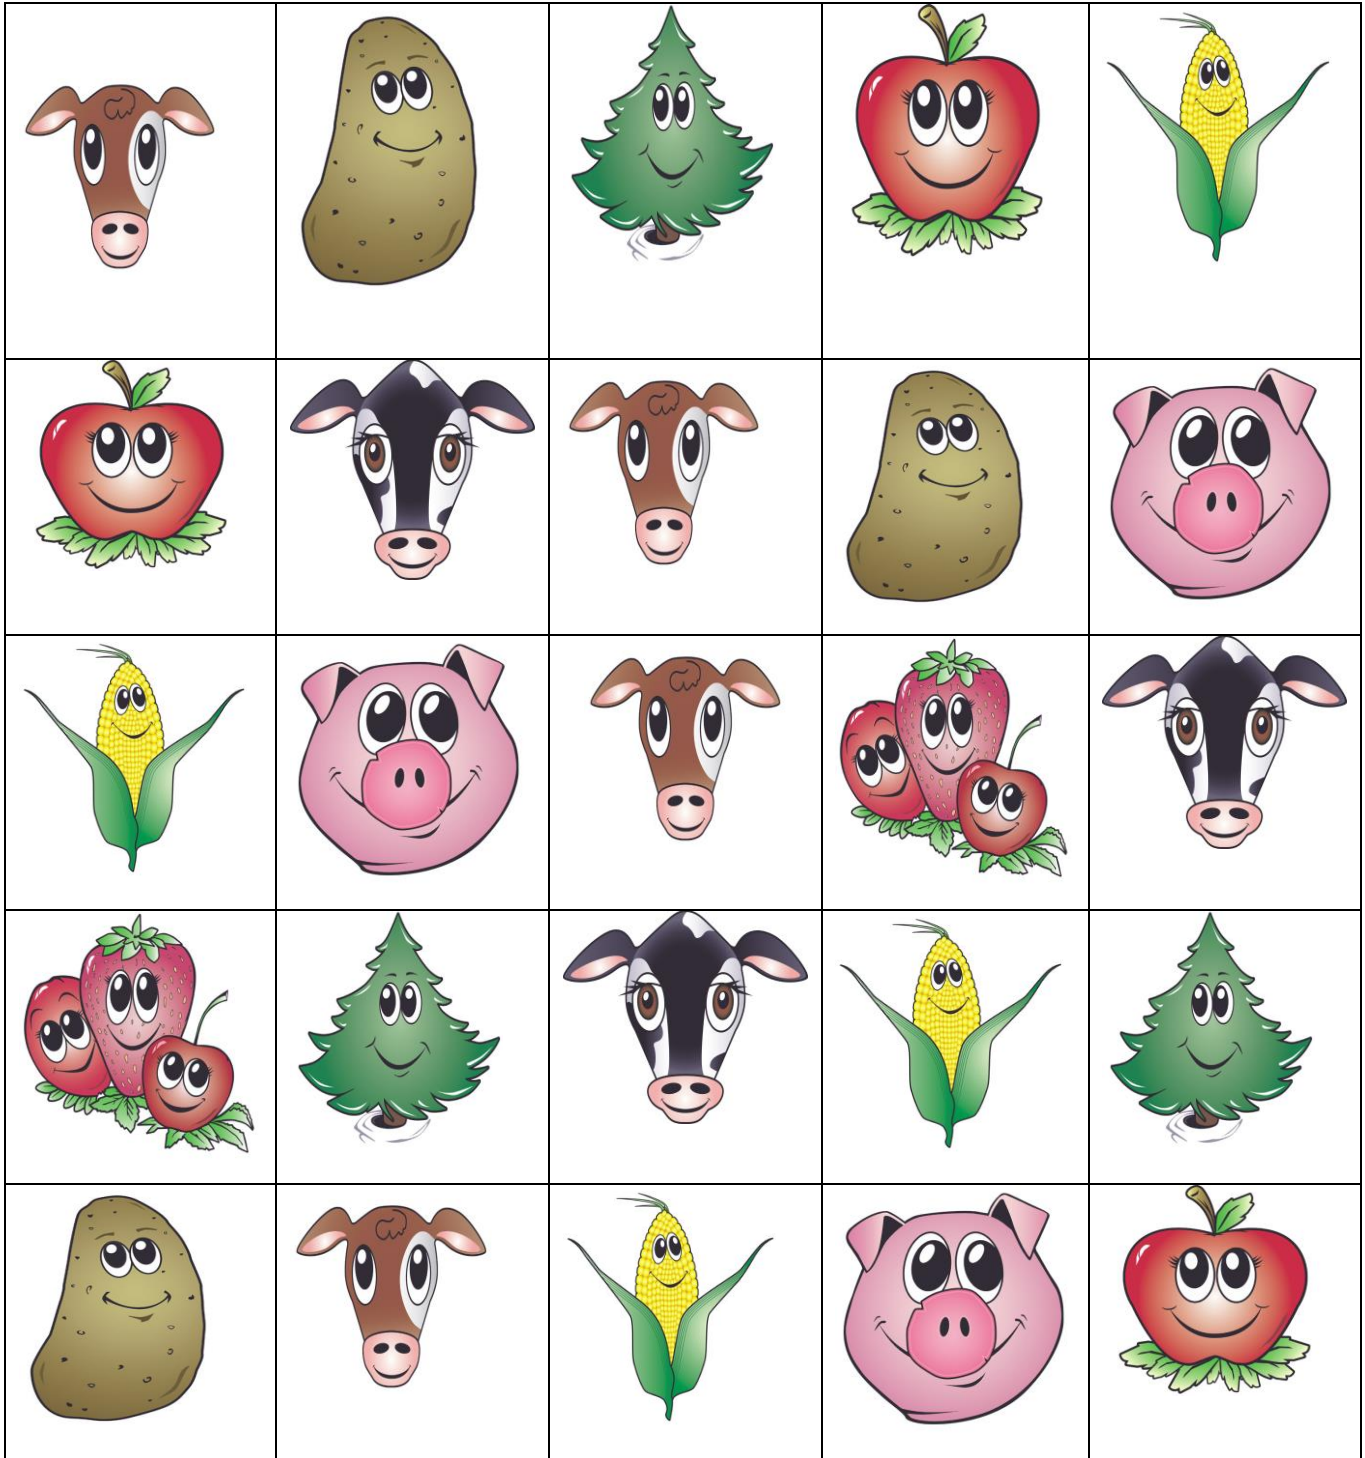

Cut out the outline of the cube and then  
fold and tape to make the character  
cube.
